Old Needs To Know Paul from White Lake, 2008-11-03 Why is there so much bipartisan bickering Why are some folks so darned adamant about their political viewpoints Should we all actually develop a political belief system But who really gives a hoot about politics anyways Have

the schools of this USofA adequately prepared our 18 year olds for one of the important privileges that they can now engage namely to vote And even after 18 years old how and when does each of us actually become EXPERT at selecting our politicians How can any one person know who to vote for and does it really make any difference which way we vote They say that if I don t vote then I have no right to complain about who we get in our government But that doesn t make any sense or is it just me Some say that the MEDIA is biased but how can that be They just report the news don t they Why won t our government just do more to FIX things and to HELP people What SHOULD our government REALLY do to help us solve our problems I ve even heard people talk about dark and strange conspiracy theories about people who are so super rich and powerful who plan things in secret and that THEY are the REAL people in control in this world playing us as if we re all just tokens on a game board
