Dante inspired by that same twinkling celestial canopy writing an epic saga of heaven and hell that endures as a masterpiece of literature today The Bright Ages reminds us just how permeable our manmade borders have always been and of what possible worlds the past has always made available to us The Middle Ages may have been a world lit only by fire but it was one whose torches illuminated the magnificent rose windows of cathedrals even as they stoked the pyres of accused heretics The Bright Ages contains an 8 page color insert **Dark Ages** Ker W.
