The German Idealists

M. Altman

The German Idealists:

German Idealist Philosophy Various, 1997-11-01 The great quest for systematic knowledge in the decades around the year 1800 gave rise to one of the most spirited eras in the history of philosophical exploration exemplified by the school of German Idealist philosophy With confidence and sweeping aspirations the Idealist philosophers Immanuel Kant Johann Fichte Friedrich Schelling and Georg Hegel set out to make metaphysics a science to explore the nature of the self and man's role in society to examine the essence of the natural world and to develop a vision of world history and the progressive consciousness of man In this masterful introduction to German Idealism Rudiger Bubner brings together key texts and lesser known extracts from the works of these four powerful intellects together with insightful overviews of each philosopher and an account of the movement as a whole For more than seventy years Penguin has been the leading publisher of classic literature in the English speaking world With more than 1 700 titles Penguin Classics represents a global bookshelf of the best works throughout history and across genres and disciplines Readers trust the series to provide authoritative texts enhanced by introductions and notes by distinguished scholars and contemporary authors as well as up to date translations by award winning translators

German Idealism Georg Mohr, Brian O'Connor, 2019-08-06 This book brings together and introduces selections from the main philosophical writings of the German Idealists Kant Fichte Schelling and Hegel As well as being the most comprehensive anthology of this period of the history of philosophy it also provides scholarly guides to all of the selected material Each of the selected texts comes with an editorial introduction to help the reader through the specific problems dealt with in the text as well as explaining its historical context In addition there is an introductory essay which sets out the many challenges faced in any interpretation of the German Idealist period of philosophy The material is arranged thematically into the following sections Self and Knowledge Freedom and Morality Law and State Art and Beauty History and Reason Nature and Science God and Religion This arrangement enables the reader to appreciate the differing positions of Kant Fichte Schelling and Hegel on the central questions of philosophy This book is indispensable for those who want to understand the unique character problems and questions of German Idealism and will also be useful to those who want to explore new areas of this influential and original epoch of philosophy Features Essential texts combined with a thorough guide to German Idealism Concentrates on the four major figures of German Idealism Kant Fichte Schelling and Hegel Thematic sections maximise the book's use for teaching purposes Makes available material which is difficult to find

The German Idealism Reader Marina F. Bykova, 2019-11-28 The German Idealism Reader is a comprehensive account of the key ideas and arguments central to German idealists and their immediate critics Expanding the scope beyond the four best known representatives Kant Fichte Schelling and Hegel and including those thinkers often considered as secondary but who are also crucial for understanding of this period the Reader presents an influential era in all its philosophical complexity Through its broad coverage of philosophers and their texts it offers a complete dynamic picture of the intellectual period and

features Selections from key texts by Kant Fichte Schelling and Hegel Readings from Reinhold Schiller Maimon Schulze Jacobi H Iderlin and Novalis Responses to and critiques of German idealist thought by late nineteenth century thinkers such as Schopenhauer Feuerbach Marx Kierkegaard and Nietzsche Selections extending beyond the typical focus on epistemology and metaphysics to include ethics religion society and art A general introduction and timeline together with a chronology and bibliography to each thinker and introductory overviews to both thinkers and text With readings carefully selected to illustrate thinkers in dialogue with each other The German Idealism Reader provides a better appreciation of the philosophical discussions central to the period This is essential reading for all students of German idealism and the nineteenth century German and Continental philosophies as well as to those studying the important movements and periods of European intellectual history

The German Idealists Hermann Selchow, 2024-08-23 Discover with me the roots of our modern thinking The German Idealists Is Patriotism Still Contemporary takes you on an exciting journey into the time of the Napoleonic occupation and shows you how important thinkers such as Fichte Schelling and Hegel shaped not only philosophy but also the self image of an entire nation In a changing world this book asks the important questions What does patriotism mean in a globalized society How can we preserve our identity and values while being open to the challenges of the present This book is a must for anyone interested in philosophy history and the great ideas of humanity Let yourself be inspired by the thoughts of the German Idealists and find out what patriotism means today beyond nationalism but full of love for freedom justice and humanity The German Idealists Is Patriotism Still Contemporary a book that makes you think and sharpens your eye for what is essential Ideal for anyone who wants to delve deeply and reflectively into the topics of identity and national consciousness Take part in the current discussions and discover the timeless values that hold us together as a society Hermann Selchow

The Cambridge Companion to German Idealism Karl Ameriks, 2000-10-30 The Cambridge Companion to German Idealism first published in 2000 offers a comprehensive penetrating and informative guide to what is regarded as the classical period of German philosophy Kant Fichte Hegel and Schelling are all discussed in detail together with a number of their contemporaries such as H Iderlin and Schleiermacher whose influence was considerable but whose work is less well known in the English speaking world The essays in the volume trace and explore the unifying themes of German Idealism and discuss their relationship to Romanticism the Enlightenment and the culture of seventeenth and eighteenth century Europe The result is an illuminating overview of a rich and complex philosophical movement and will appeal to a wide range of readers in philosophy German studies theology literature and the history of ideas

Understanding German Idealism Will Dudley, 2014-12-05 Understanding German Idealism provides an accessible introduction to the philosophical movement that emerged in 1781 with the publication of Kant's monumental Critique of Pure Reason and ended fifty years later with Hegel's death The thinkers of this period and the themes they developed revolutionized almost every area of philosophy and had an impact that continues to be felt across the humanities and social

sciences today Notoriously complex the central texts of German Idealism have confounded the most capable and patient interpreters for more than 200 years Understanding German Idealism aims to convey the significance of this philosophical movement while avoiding its obscurity Readers are given a clear understanding of the problems that motivated Kant Fichte Schelling and Hegel and the solutions that they proposed Dudley outlines the main ideas of transcendental idealism and explores how the later German Idealists attempted to carry out the Kantian project more rigorously than Kant himself striving to develop a fully self critical and rational philosophy in order to determine the meaning and sustain the possibility of a free and rational modern life The book examines some of the most important early criticisms of German Idealism and the philosophical alternatives to which they led including romanticism Marxism existentialism and naturalism *Spinoza and German Idealism* Eckart Förster, Yitzhak Y. Melamed, 2012-09-13 An extensive examination of the profound impact of Spinoza's philosophy on the German Idealists **German Idealism** Frederick C. Beiser, 2008-03-31 One of the very few accounts in English of German idealism this ambitious work advances and revises our understanding of both the history and the thought of the classical period of German philosophy As he traces the structure and evolution of idealism as a doctrine Frederick Beiser exposes a strong objective or realist strain running from Kant to Hegel and identifies the crucial role of the early romantics Herder Schlegel and Novalis as the founders of absolute idealism **Kantian Legacies in German Idealism** Gerad Gentry, 2021-05-10 Scholarship on Immanuel Kant and the German Idealists often attends to the points of divergence While differences are vital this volume does the opposite offering a close inspection of some of the key Kantian concepts that are embraced and retained by the Idealists It does this by bringing together an original set of critical reflections on the role that the German Idealists ascribe to fundamental Kantian ideas and insights within their own systems A central motivation for this volume is to resist reductive accounts of the complex relationship between German Idealism and Kant's Idealism through a study of the inheritance of Kant's legacy in German Idealism As such this volume contributes to new interpretations and rethinking of traditional accounts in light of these reflections on some of the significant components of German Idealism that can defensibly be called Kantian The contributors to this volume are Dina Emundts Eckart Förster Gerad Gentry Johannes Haag Dean Moyar Lydia Moland Dalia Nassar Karin Nisenbaum Anne Pollok and Nicholas Stang Introducing the German Idealists Robert C. Solomon, 1981 German Idealism Today Markus Gabriel, Anders Moe Rasmussen, 2017-09-25 This collection of essays provides an exemplary overview of the diversity and relevance of current scholarship on German Idealism The importance of German Idealism for contemporary philosophy has received growing attention and acknowledgment throughout competing fields of contemporary philosophy Part of the growing interest rests on the claim that the works of Kant Fichte Schelling Hegel remain of considerable interest for cultural studies sociology theology aesthetics and other areas of interest In the domain of philosophy the renaissance of innovative readings of German Idealism has taken scholarly debates beyond merely antiquarian perspectives This renaissance has been a major factor of

current efforts to bridge the gap between so called analytic and so called continental philosophy The volume provides a selection of well chosen examples of readings that contribute to systematic treatments of philosophical problems It contains among others contributions by Markus Gabriel Robert Pippin Anders Moe Rasmussen Sebastian R dl *Reason and Conversion in Kierkegaard and the German Idealists* Ryan Kemp, Christopher Iacovetti, 2020-05-10 In his late work *Religion within the Boundaries of Mere Reason* Immanuel Kant struggles to answer a straightforward yet surprisingly difficult question how is radical conversion a complete reorientation of a person s most deeply held values possible In this book Ryan S Kemp and Christopher Iacovetti examine how this question gets taken up by Kant s philosophical heirs Schelling Fichte Hegel and Kierkegaard More than simply developing a novel account of each thinker s position Kemp and Iacovetti trace how each philosopher formulates his theory in response to tensions in preceding views culminating in Kierkegaard s claim that radical conversion lies outside a person s control Kemp and Iacovetti close by examining some of the moral psychological implications of Kierkegaard s account particularly the question of how someone might responsibly relate to values that have by their own admission been acquired in contingent and accidental fashion

The Age of German Idealism Kathleen Higgins, Robert C. Solomon, 2023-05-09 German Idealism was one of the most fertile and important movements in the history of Western philosophy This volume includes eleven chapters on all aspects and the period s most influential philosophers including Kant and Hegel

[A Guide to the Philosophy of the German Idealists](#) Ernest Bruncken, 1924 *Addresses to the German Nation* Johann Fichte, Fichte s 1808 *Addresses to the German Nation* *Reden an die deutsche Nation* arose from public lectures delivered in occupied Berlin in the winter of 1807 to 1808 when Prussia reeled after Jena and Auerstedt and Napoleon s troops held the city The book proposes a national renewal grounded in education language and moral self formation drawing on Kantian autonomy and on the pedagogy of Pestalozzi while speaking to a lay audience in the Academy hall on Unter den Linden It has long been read as a turning point in German letters where philosophical idealism steps onto the civic stage and speaks in the register of collective vocation rather than private speculation Published in Berlin in 1808 on the basis of fourteen addresses delivered at the Royal Academy of Sciences this volume presents a sustained argument that the cultivation of character through a common school system and a shared language can reconstitute a people after political collapse a thesis elaborated through the idiom of the Wissenschaftslehre and supported by examples from native literature and history while acknowledging the practical art of teaching associated with Pestalozzi and the earlier philological nationalism of Herder the orator s cadence is unmistakable for here a metaphysician writes as a civic instructor framing duty freedom and Bildung as tasks for households and classrooms no less than for ministries Often translated as *Speeches to the German Nation* the book weds speculative claims about the I and self positing activity to proposals for school discipline teacher formation and the moral ends of instruction and it does so in language that moves between rigorous abstraction and concrete appeals so that the reader finds not a pamphlet for the day but a treatise in oratorical dress where rhetoric serves

philosophy and not the reverse. The philosophical architecture of the Addresses rests upon Fichte's adaptation of Kantian critical philosophy to the sphere of collective identity, employing concepts from his earlier epistemological investigations to ground claims about national character and destiny. Written as a continuation of his *Characteristics of the Present Age*, the work attempts to diagnose the contemporary crisis through the application of transcendental idealist principles to historical analysis, positioning German culture as the potential vehicle for European moral and intellectual renewal. While the text has attracted extensive scholarly attention for its role in the development of modern nationalist ideology, its literary merit lies in Fichte's skillful integration of rigorous philosophical argumentation with passionate rhetorical appeal, creating a work that functions both as systematic treatise and as political exhortation designed to mobilize its audience toward collective action. This modern professional translation provides scholarly depth and supplementary materials that contextualize Fichte's philosophy within his social and intellectual framework. This critical reader's edition includes an extensive afterword that traces Fichte's personal relationships with Hegel and Kant. Fichte was close with Kant, who helped him publish his first book on philosophy. Fichte considered himself an heir to Kant's philosophy. However, Kant ended their friendship by calling his system completely indefensible and claiming that Fichte had transformed critical philosophy into something he no longer recognized: a form of idealism that eliminated the thing in itself entirely and made everything dependent on the activity of the ego. Fichte and Hegel knew each other at the University of Jena, where Hegel was influenced by Fichte's idealist philosophy. However, he later developed sharp criticisms of Fichte's system. Hegel eventually saw Fichte's philosophy as incomplete and overly subjective, a view he expressed in works such as the *Phenomenology of Spirit*. Fichte influenced Schopenhauer's concept of the irrational will, Freud's ego, and Sartre's existentialism. In recent decades, the praise of Fichte's subjective negativity as highlighting the void of the real has revitalized interest in Fichte. This edition contains a comprehensive timeline that connects the major events of Fichte's life with world events. It also includes a glossary of critical philosophical and Romantic idealist terminology and a detailed index that provides an authoritative guide to his complete writings, bringing to life this critical German Idealist philosopher and his relevance in today's world.

The Politics of German Idealism
Christopher Yeomans, 2023. This work reconstructs the political philosophies of Kant, Fichte, and Hegel against the background of their social-historical context. The simple guiding thought of this study is to understand German Idealist political philosophy as political, i.e., as a set of policy options and institutional designs aimed at a broadly but distinctively German set of social problems. Political here refers to use of the state's power to enforce law and social norms and groups which are regulated by that enforcement but which also antedate or exceed that enforcement. Because the power to enforce law is very much still being actualized by state building in the period at issue, political refers quite narrowly to a certain kind of practical legal project rather than to a perennial set of problems from the history of philosophy. By way of method, I claim that to reveal the political nature of German Idealist political philosophy requires understanding German

Idealism as both taking place in and conceptualizing its own historical present this is the sense in which it is not only political but political philosophy The most important general feature of the historical present of the German Idealists is the way in which the period from 1770 to 1830 was a transitional period between early and late modernity a so called saddle period Sattelzeit in which the metaphor is of a Bergsattel or shallow valley between two mountain peaks

The Palgrave Handbook of German Idealism M. Altman,2017-12-01 The Palgrave Handbook of German Idealism features essays from leading scholars on German philosophy It is the most comprehensive secondary source available covering not only the full range of work by Kant Fichte Schelling and Hegel but also idealists such as Reinhold and Schopenhauer critics such as Jacobi Maimon and the German Romantics

German Idealism Today Markus Gabriel,Anders Moe Rasmussen,2017-09-25 This collection of essays provides an exemplary overview of the diversity and relevance of current scholarship on German Idealism The importance of German Idealism for contemporary philosophy has received growing attention and acknowledgment throughout competing fields of contemporary philosophy Part of the growing interest rests on the claim that the works of Kant Fichte Schelling Hegel remain of considerable interest for cultural studies sociology theology aesthetics and other areas of interest In the domain of philosophy the renaissance of innovative readings of German Idealism has taken scholarly debates beyond merely antiquarian perspectives This renaissance has been a major factor of current efforts to bridge the gap between so called analytic and so called continental philosophy The volume provides a selection of well chosen examples of readings that contribute to systematic treatments of philosophical problems It contains among others contributions by Markus Gabriel Robert Pippin Anders Moe Rasmussen Sebastian R dl

German Idealism and the Jew Michael Mack,2003-06-15 In German Idealism and the Jew Michael Mack uncovers the deep roots of anti Semitism in the German philosophical tradition While many have read German anti Semitism as a reaction against Enlightenment philosophy Mack instead contends that the redefinition of the Jews as irrational oriental Others forms the very cornerstone of German idealism including Kant s conception of universal reason Offering the first analytical account of the connection between anti Semitism and philosophy Mack begins his exploration by showing how the fundamental thinkers in the German idealist tradition Kant Hegel and through them Feuerbach and Wagner argued that the human world should perform and enact the promises held out by a conception of an otherworldly heaven But their respective philosophies all ran aground on the belief that the worldly proved incapable of transforming itself into this otherworldly ideal To reconcile this incommensurability Mack argues philosophers created a construction of Jews as symbolic of the worldliness that hindered the development of a body politic and that served as a foil to Kantian autonomy and rationality In the second part Mack examines how Moses Mendelssohn Heinrich Heine Franz Rosenzweig and Freud among others grappled with being both German and Jewish Each thinker accepted the philosophies of Kant and Hegel in varying degrees while simultaneously critiquing anti Semitism in order to develop the modern Jewish notion of what it meant to be enlightened a concept that differed substantially from that of Kant

Hegel Feuerbach and Wagner By speaking the unspoken in German philosophy this book profoundly reshapes our understanding of it **Nietzsche, German Idealism and Its Critics** Katia Hay, Leonel R. dos Santos, 2015-10-16 Nietzsche is known as a severe critic of German Idealism but what exactly is the relation between his thought and theirs And how does Nietzsche's stance differ from the critique of idealism in Kierkegaard and Schopenhauer The papers from leading international specialists in German Idealism Schopenhauer Kierkegaard and Nietzsche address these questions The aim of the volume is to introduce novel ways of addressing the complex relations between Nietzsche and his immediate philosophical predecessors Schopenhauer Kierkegaard Hegel Schelling Fichte and Kant The focus is on the profound interconnections and affinities between their ways of thinking Each paper considers one particular aspect of Nietzsche's philosophy such as his notion of spirit law power will his physiology or his critique of morality in relation to the above mentioned philosophers This largely systematic approach reveals surprising affinities between Nietzsche and the German idealists despite their patent differences and generates new perspectives from which to understand and reinterpret Nietzsche's thought Contributors Maria J Branco Danielle Cohen Levinas Joao Constancio Carlos J Correia Katia Hay Lore H hn Jose Justo Elisabetta Marques J de Sousa Frederick Neuhouser Leonel R dos Santos Philipp Schwab Herman Siemens

Enjoying the Song of Phrase: An Psychological Symphony within **The German Idealists**

In some sort of taken by monitors and the ceaseless chatter of instant connection, the melodic elegance and mental symphony produced by the published word frequently fade into the background, eclipsed by the constant sound and distractions that permeate our lives. Nevertheless, located within the pages of **The German Idealists** a charming fictional treasure overflowing with fresh thoughts, lies an immersive symphony waiting to be embraced. Constructed by an elegant musician of language, that captivating masterpiece conducts readers on a psychological journey, skillfully unraveling the concealed songs and profound affect resonating within each cautiously crafted phrase. Within the depths of the touching assessment, we will explore the book is key harmonies, analyze their enthralling publishing fashion, and submit ourselves to the profound resonance that echoes in the depths of readers souls.

The German Idealists Introduction

In the digital age, access to information has become easier than ever before. The ability to download The German Idealists has revolutionized the way we consume written content. Whether you are a student looking for course material, an avid reader searching for your next favorite book, or a professional seeking research papers, the option to download The German Idealists has opened up a world of possibilities. Downloading The German Idealists provides numerous advantages over physical copies of books and documents. Firstly, it is incredibly convenient. Gone are the days of carrying around heavy textbooks or bulky folders filled with papers. With the click of a button, you can gain immediate access to valuable resources on any device. This convenience allows for efficient studying, researching, and reading on the go. Moreover, the cost-effective nature of downloading The German Idealists has democratized knowledge. Traditional books and academic journals can be expensive, making it difficult for individuals with limited financial resources to access information. By offering free PDF downloads, publishers and authors are enabling a wider audience to benefit from their work. This inclusivity promotes equal opportunities for learning and personal growth. There are numerous websites and platforms where individuals can download The German Idealists. These websites range from academic databases offering research papers and journals to online libraries with an expansive collection of books from various genres. Many authors and publishers also upload their work to specific websites, granting readers access to their content without any charge. These platforms not only provide access to existing literature but also serve as an excellent platform for undiscovered authors to share their work with the world. However, it is essential to be cautious while downloading The German Idealists. Some websites may offer pirated or illegally obtained copies of copyrighted material. Engaging in such activities not only violates copyright laws but also undermines the efforts of authors, publishers, and researchers. To ensure ethical downloading, it is advisable to utilize reputable websites that prioritize the legal distribution of content. When downloading The German Idealists, users should also consider the potential security risks associated with online platforms. Malicious actors may exploit vulnerabilities in unprotected websites to distribute malware or steal personal information. To protect themselves, individuals should ensure

their devices have reliable antivirus software installed and validate the legitimacy of the websites they are downloading from. In conclusion, the ability to download The German Idealists has transformed the way we access information. With the convenience, cost-effectiveness, and accessibility it offers, free PDF downloads have become a popular choice for students, researchers, and book lovers worldwide. However, it is crucial to engage in ethical downloading practices and prioritize personal security when utilizing online platforms. By doing so, individuals can make the most of the vast array of free PDF resources available and embark on a journey of continuous learning and intellectual growth.

FAQs About The German Idealists Books

1. Where can I buy The German Idealists books? Bookstores: Physical bookstores like Barnes & Noble, Waterstones, and independent local stores. Online Retailers: Amazon, Book Depository, and various online bookstores offer a wide range of books in physical and digital formats.
2. What are the different book formats available? Hardcover: Sturdy and durable, usually more expensive. Paperback: Cheaper, lighter, and more portable than hardcovers. E-books: Digital books available for e-readers like Kindle or software like Apple Books, Kindle, and Google Play Books.
3. How do I choose a The German Idealists book to read? Genres: Consider the genre you enjoy (fiction, non-fiction, mystery, sci-fi, etc.). Recommendations: Ask friends, join book clubs, or explore online reviews and recommendations. Author: If you like a particular author, you might enjoy more of their work.
4. How do I take care of The German Idealists books? Storage: Keep them away from direct sunlight and in a dry environment. Handling: Avoid folding pages, use bookmarks, and handle them with clean hands. Cleaning: Gently dust the covers and pages occasionally.
5. Can I borrow books without buying them? Public Libraries: Local libraries offer a wide range of books for borrowing. Book Swaps: Community book exchanges or online platforms where people exchange books.
6. How can I track my reading progress or manage my book collection? Book Tracking Apps: Goodreads, LibraryThing, and Book Catalogue are popular apps for tracking your reading progress and managing book collections. Spreadsheets: You can create your own spreadsheet to track books read, ratings, and other details.
7. What are The German Idealists audiobooks, and where can I find them? Audiobooks: Audio recordings of books, perfect for listening while commuting or multitasking. Platforms: Audible, LibriVox, and Google Play Books offer a wide selection of audiobooks.

8. How do I support authors or the book industry? Buy Books: Purchase books from authors or independent bookstores. Reviews: Leave reviews on platforms like Goodreads or Amazon. Promotion: Share your favorite books on social media or recommend them to friends.
9. Are there book clubs or reading communities I can join? Local Clubs: Check for local book clubs in libraries or community centers. Online Communities: Platforms like Goodreads have virtual book clubs and discussion groups.
