

# THE GETTYSBURG ADDRESS

November 19, 1863

At the Dedication of the Soldiers' National Cemetery in Gettysburg, Pennsylvania:

Four score and seven years ago our fathers brought forth on this continent, a new nation, conceived in Liberty, and dedicated to the proposition that all men are created equal.

Now we are engaged in a great civil war, testing whether that nation, or any nation so conceived and so dedicated, can long endure. We are met on a great battle-field of that war. We have come to dedicate a portion of that field, as a final resting place for those who here gave their lives that that nation might live. It is altogether fitting and proper that we should do this.

But, in a larger sense, we can not dedicate – we can not consecrate – we can not hallow – this ground. The brave men, living and dead, who struggled here, have consecrated it, far above our poor power to add or detract. The world will little note, nor long remember what we say here, but it can never forget what they did here. It is for us the living, rather, to be dedicated here to the unfinished work which they who fought here have thus far so nobly advanced. It is rather for us to be here dedicated to the great task remaining before us – that from these honored dead we take increased devotion to that cause for which they gave the last full measure of devotion – that we here highly resolve that these dead shall not have died in vain – that this nation, under God, shall have a new birth of freedom – and that government of the people, by the people, for the people, shall not perish from the earth.

## **The Gettysburg Address:**

*The Gettysburg Address* Abraham Lincoln, 1995 The power and strength of President Abraham Lincoln's words are accentuated by illustrations in a reprint of the Gettysburg Address of 1863 [The Gettysburg Address](#) Sean Conant, 2015 The country's most prominent historians reflect on the significance and legacy of the Gettysburg Address **Gettysburg Address** Abraham Lincoln, 1950 **Lincoln's Gettysburg Address** Abraham Lincoln, 2013-02-01 Lincoln's original Gettysburg Address speech accompanied by lush mural illustrations with a new introduction The Gettysburg Address is one of the most influential speeches in our history written by Abraham Lincoln at a crucial period in his presidency and in United States history Caldecott Honoree and Newbery Medalist James Daugherty's pictorial interpretation of President Abraham Lincoln's famous speech the Gettysburg Address was originally published by Albert Whitman in 1947 This book is available again in a fresh new edition just in time for the 150th anniversary of the Gettysburg Address with a new introduction by Lincoln and Civil War scholar Gabor S Boritt *The Gettysburg Address* Charles River Charles River Editors, 2018-02-13 Includes pictures Includes accounts of the speech and reactions written by people who were there Discusses the influences on the speech and debates over the various versions that exist Includes online resources and a bibliography for further reading Includes a table of contents Four score and seven years ago our fathers brought forth on this continent a new nation conceived in liberty and dedicated to the proposition that all men are created equal Now we are engaged in a great civil war testing whether that nation or any nation so conceived and so dedicated can long endure We are met on a great battlefield of that war We have come to dedicate a portion of that field as a final resting place for those who here gave their lives that that nation might live Abraham Lincoln Without question the most famous battle of the American Civil War took place outside of the small town of Gettysburg Pennsylvania which happened to be a transportation hub serving as the center of a wheel with several roads leading out to other Pennsylvanian towns From July 1-3 Robert E Lee's Confederate Army of Northern Virginia tried everything in its power to decisively defeat George Meade's Union Army of the Potomac unleashing ferocious assaults that inflicted nearly 50,000 casualties in all When a crowd came to Gettysburg in November 1863 to commemorate the battle fought there 4 months earlier and dedicate a new national cemetery they came to hear a series of speeches about the Civil War and the events of that battle Today it may seem obvious to invite the president to such an occasion but Lincoln was initially an afterthought and though he did come to deliver remarks he was not in fact the keynote speaker Instead the man chosen to give the keynote speech was Edward Everett a politician and educator from Massachusetts Everett had already been a Congressman the 15th Governor of Massachusetts Minister to Great Britain and Secretary of State and by the Civil War he was considered perhaps the greatest orator in the nation making him a natural choice to be the featured speaker at the dedication ceremony Everett is still known today for his oratory but more for the fact that he spoke for over two hours at Gettysburg immediately before President Lincoln delivered his immortal two minute Gettysburg Address Everett would later

say I should be glad if I could flatter myself that I came as near to the central idea of the occasion in two hours as you did in two minutes At the time however Lincoln and many others present at the event thought his speech fell flat and was ultimately a failure that would be consigned to the dustbin of history Perhaps Lincoln s most impressive feat is that he was able to convey so much with so few words after Everett spoke for hours at Gettysburg Lincoln s Gettysburg Address only took a few minutes but in those few minutes Lincoln invoked the principles of human equality espoused by the Declaration of Independence In the process he redefined the Civil War as a struggle not merely for the Union but as a new birth of freedom that would bring true equality to all of its citizens ensure that democracy would remain a viable form of government and would also create a unified nation in which states rights were no longer dominant 150 years later Lincoln s speech is still considered arguably the greatest in American history yet the exact wording of the speech is disputed The five known manuscripts of the Gettysburg Address differ in a number of details and also differ from contemporary newspaper reprints of the speech In fact at the time few Americans knew the president had even given a speech at Gettysburg and the Gettysburg Address was not widely covered in newspapers The irony is lost on few given that the Gettysburg Address continues to represent a concise and eloquent statement on the very purpose of the United States

[Examining the Gettysburg Address by Abraham Lincoln](#) Alex David,2020-07-15 Tall awkward Abraham Lincoln delivered the Gettysburg Address in just four minutes It was only 272 words Even after the tragic deaths of thousands of Union soldiers Lincoln imagines a united country His words spoke not just to the living audience but also to future Americans The brilliance of this speech is its poetic brevity and Lincoln s ability to mark the beginning of America with the Declaration of Independence not the Constitution This book traces the history of this great speech giving readers a sense of both the historical context and the person who wrote these enduring words
