## The Glory:

Twelve sermons James Battersby,1882      New Outlook ,1916      **The Church in a World of Religions** Tom  
Greggs,2021-12-16 In this collection of essays Tom Greggs explores the nature of the church in a world of many religions  
Greggs writings on the Church and on other religions emphasize the importance of attentiveness to Christ and the Holy Spirit  
and both are simultaneously generous and particularist The first part of the book addresses the Church as it is brought into  
being by the Spirit in glorifying God celebrates the sacraments respects the authority of the creeds is generously Catholic  
and critiques its own religion The second part looks at the church in a pluralist context as it engages in inter faith dialogue  
expresses both particularism and universalism speaks of Christ with many names and reads scripture and understands the  
many covenants found there Greggs offers a programmatic conclusion setting an agenda for theologies of the church and of  
other religions and their simultaneous relationality      The Works of President Edwards ... Jonathan Edwards,1844      **The**
