**The Glory of Easter** Glenn Pease, 2015-12-18 What is the Glory of Easter Easter is what Being a Christian is all about The significance of the morning Jesus first rose from the grave is that it shows the morning is a new day the payment for our sins is paid our sins were forgiven forever Easter is about the hope of things that are happening on earth that more and more people will join us in heaven for eternity Everything connected with Easter is showing the reality of why we have faith in the future with optimism and hope for eternal life with God in Heaven We need to learn to be positive in the face of all the difficulties we deal with on Earth We must always be actively advancing in our quest to serve Christ The difficulties we face are real Our faith in Jesus that he is with us all the time and holding us up so we can get through whatever we need too Why is it hard to get people to believe in Jesus It is hard for a couple of reasons The main reason is that people don't want to give up sin We are all sinners and many people like to sin and therefore don't want to believe that it's wrong The other main reason is people have a hard time believing in things they can't see even the disciples were so distraught about Jesus being crucified they didn't even believe that he really rose from the dead until they actually saw him and touched him Unbelief is a natural thing it's a natural response to the supernatural It takes work and faith to convince unbelievers We need to do less proving more proclaiming the great news and showing them there is something better No amount of proof will convince someone who has no desire to believe That's why there are atheists atheist have no desire to believe so they deny God exists The disciples reaction after they saw Christ had risen shows it was real They suddenly turned from depressed broken men into men that gave their lives to spread the word of the Savior Why is Easter so special The resurrection of Christ was so radical because it changed everything The Resurrection is the entire basis for Christianity without the resurrection Christianity would not exist We need to believe that every day of your life is a new beginning working towards the final goal spreading the word of the free gift from Jesus to everyone so everybody can have eternal life in heaven with God Jesus rising from the grave was very special The resurrection of Jesus was much different than all other resurrection miracles All the others were people that were brought back to life but they all did die again Jesus resurrection was permanent never to die again Jesus could have come back from the dead and went after the Pharisees to get revenge He didn't do that he came back and his message was love He died to save the sins of all of us so we could have salvation His focus was on the future not the past Scroll up and grab a copy today **The Interior**, 1919 Issues for Jan 12 1888 Jan 1889 include monthly Magazine supplement [Tuning My Heart](#) Laurie Ann Kraus, 2008-05-28 Even in a society as highly mobile as our own has become change is unsettling discomfiting Like our ancestors in faith we are more often than not on the journey in the wilderness seeking to know who we are as a people and trying to comprehend the God who we hope is going up with us wherever it is we end up going The paths are not as familiar as they once were and recognizable signposts are rare It's easy to feel lost The congregation I have now served in Miami Florida for nearly twenty years has while remaining constant in size changed faces

accents and styles at a dizzying pace People don't stay put anymore and the folk who find their way to church these days are hungry for a home longing for community and hoping the God of their long vanished Sunday school childhoods can find the way to their latest change of address For this pastor and her congregation the rooting of our common life and shared faith story in the fertile soil and the organic rhythms of the liturgical year has provided a permanent address that feels like home

Tuning My Heart is a collection of articles sermons and poetry based upon the movements of the liturgical calendar and shaped by one tropical congregation's life cycle as it seeks to bloom in the old rich soil of the Christian tradition and to flower in the exotically scented air of the vibrant diverse city that is home
