Powers of Distinction Nancy Levene,2024-05-31 In this major new work philosopher of religion Nancy Levene examines the elemental character of religion and modernity Deep in their operating systems she argues are dualisms of opposition and identity that cannot be reconciled with the forms of life they ostensibly support These dualisms are dead ends but they conceal a richer position another kind of dualism constitutive of mutual relation This dualism is difficult to distinguish and its concept of relation difficult to commit to It risks contention and even violence But it is also the indispensable support for modernity s most innovative ideals democracy criticism and interpretation In readings from Abraham to the present Levene recovers this richer dualism in its difference from the alternatives other dualisms nondualism multiplication From Abraham we get the biblical call to give up tribal belonging for a promised land of covenantal relation Yet modernity inclusive of this call is also the principle that critiques the promise when it divides self from other us from them Drawing on a long tradition of thinkers and scholars even as she breaks new ground Levene offers here nothing less than a new way of understanding modernity as an ethical claim about our world a philosophy of the powers of distinction to include rather than to divide *Egypt* ,1895 *Puritan theology; or, Law, grace, and truth, discourses* George Macaulay,1872 **Isis Unveiled: a Master Key to the Mysteries of Ancient and Modern Science and Theology** Helena Petrovna Blavatsky,1919

The Dirt on Ninth Grave Darynda Jones,2016-01-12 Grim Reaper Charley Davidson is back in the ninth installment of Darynda Jones New York Times bestselling paranormal series *The Dirt on Ninth Grave* In a small village in New York lives Jane Doe a girl with no memory of who she is or where she came from So when she is working at a diner and slowly begins to realize she can see dead people she s more than a little taken aback Stranger still are the people entering her life They seem to know things about her Things they hide with lies and half truths Soon she senses something far darker A force that wants to cause her harm she is sure of it Her saving grace comes in the form of a new friend she feels she can confide in and the fry cook a devastatingly handsome man whose smile is breathtaking and touch is scalding He stays close and she almost feels safe with him around But no one can outrun their past and the more lies that swirl around her even from her new and trusted friends the more disoriented she becomes until she is confronted by a man who claims to have been sent to kill her Sent by the darkest force in the universe A force that absolutely will not stop until she is dead Thankfully she has a Rottweiler But that doesn t help in her quest to find her identity and recover what she s

lost That will take all her courage and a touch of the power she feels flowing like electricity through her veins She almost feels sorry for him The devil in blue jeans The disarming fry cook who lies with every breath he takes She will get to the bottom of what he knows if it kills her Or him Either way
