How To Hear God's Voice Ev. Abraham Nelson Samosir, 2021-05-01 In this book you will learn how to hear God Voice and will be explained about God Heaven Hell Angel and who is the Devil It's also tell about Christianity who is true Jesus Follower who is God Servant and How you become A True Christian And this book also tells about how to clean our house from accursed things devil influence and how to cast it out There are also many valuable articles that can build your Christianity life The Holy Spirit will guide you when you read this book Jesus loves you and all your family Learning to Hear God's Voice Harold Smith, Gena Smith, 2020-12-15 This book is a compilation of personal journals conversations with God that have been documented on the computer The responses from God to the authors are often quite insightful and amazing The subjects covered are wide ranging Also in this book is the complete outline of the class How to Hear God's Voice which the authors have taught in the prisons **God's Voice** Riaan Engelbrecht, 2023-10-12 There is this strange notion these days that God no longer speaks to His people It is said that God spoke in the Old Testament and that God today only speaks these days through His Word Yes it is true that God does speak through His Word but the wonderful and glorious news is that God does speak to His children He has a voice we have ears and there is definite communication Some even say that one is crazy to think one hears from God voices in the head apparently speak of a deep seated disorder Others claim it is purely your imagination This is sad because God is an incredibly personal God who wants to communicate with His children He wants to talk to us and He wants us to talk to Him Just because someone has not heard from God does not mean He doesn't speak Think about it The Creator of all actually speaks to us He does not just speak to the apostles or the prophets but to each and every believer This is the God whom we serve An awesome God who is not distant but a God who wants a personal relationship with us Yes we can hear from God as His children There is no simple formula but it boils down to relationship fellowship intimacy and willing to follow and listen **How to hear God's Voice** Mark Virkler, 2006-01-28 But blessed are your eyes because they see and your ears because they hear Matthew 13 16 You can hear the voice of your Lord He is always speaking to you In fact every believer is called to have a one on one relationship with God because He longs to share sweet times of intimacy with all His children How to Hear God's Voice will teach you to discern His voice from all the other voices that clamor for your attention This book Gives vital keys to increase the intimacy of your prayer time Teaches you how to be

still before the Lord Helps you recognize His speech as spontaneous thoughts Encourages you to seek vision while praying and use a journal to record revelation Your communion with God will become a flow of His words springing forth from your heart You will experience a depth of relationship you never thought possible [The Voice](#) Gabe Liliedahl,2022-11-16 The Voice A Study is the result of a passion meeting reality The author s passion for hearing God s voice has developed into a book series to help others encounter God s voice for themselves This second book in The Voice series approaches the voice of God in a much different manner than the first book The first book related personal experiences with God s voice from cover to cover This book explains God s voice using the Bible and combines that with a few testimonies in an attempt to help the reader make a connection with God for themselves The heroes of the faith were flawed individuals Though we can be inspired through their faith we can also learn from their shortcomings Abraham often gets mentioned as the father of faith but rarely is it mentioned that God had to tell him twice to leave for what would be Israel David also is characterized as having great faith in God but rarely is it mentioned that God had to tell him more than once to do something for God Both of those accounts are expanded upon within the book The Voice A Study teaches the reader how to hear from God and process anything He might say There is an emphasis on the reader s relationship to God There s an even heavier emphasis on discerning God s voice from other voices Because God often speaks in dreams and riddles both of those topics get discussed at length in their own chapters Because there are false dreams and dreams generated by one s own soul those dreams get discussed too The author supplies more than enough information to prepare the reader for their own dream interpretation There are two chapters devoted to signs and their significance Signs have a voice but are not always easily spotted Again explanation is given to help the reader look for signs in their own lives Anyone looking for a deeper relationship with God would benefit from learning His voice as depicted in The Voice series [Hearing God](#) Richard Exley,2021-07 If you have longed to hear God s voice but wondered if you ever would Hearing God is the book for you It provides scriptural guidance and practical insights to help ordinary people like you and me discern God s voice It will help you hear God s voice through the scriptures through the inner promptings of the Spirit through Godly counsel and through special spiritual experiences

Surprised by the Voice of God Jack S. Deere,2010-06-15 If You Believe Miraculous Gifts Have Ceased You re in for a Big Surprise What caused a former Dallas Seminary professor to believe that the miraculous gifts of the Holy Spirit are being given today What convinced someone skeptical about miracles that God still speaks and heals A dramatic change took place in Jack Deere s life when he took a fresh look at the Scriptures He discovered that his arguments against miraculous gifts were based more on prejudice and lack of personal experience than on the Bible As soon as Deere became a seeker instead of a skeptic the Holy Spirit revealed himself in new and surprising ways In Surprised by the Power of the Spirit Deere provides a strong biblical defense for the Spirit s speaking and healing ministries today He also describes several reliable cases of people who were miraculously healed or who heard God speak in an unmistakable way Finally he gives sound advice for

using spiritual gifts in the church Written in a popular style with the care of a scholar but the passion of personal experience this book explores The real reason Christians do not believe in miraculous gifts Responding to Charismatic abuses Were miracles meant to be temporary Why God still heals Must reading for all Bible believing Christians I wish with all my heart I could place it in the hands of every conservative evangelical James Robison Life Outreach International

The Christian : a Story Hall Caine,1897 **The Christian Advocate** ,1928 **The Christian Work and the Evangelist** ,1909 **God's Voice** Hubberman Zavel,1984 **Hearing God's Voice Clearly** Kelvin Armstrong,2017-08-21 This book is written to help Christians discern between the voice of God amidst other voices There are basically three major voices in the universe the voice of man the voice of the devil and the voice of God The importance of recognizing God s voice as a Christian when we yearn to hear from Him cannot be overemphasized The question now is is it possible for God to speak without you recognizing His voice The answer is a resounding yes God can actually speak and you won t recognize His voice or hear Him speak We hear different voices within us most of the times our mind speaking the devil speaking or God speaking It is very important that we recognize God s voice when He speaks so that we will not deviate from his plans for us It was that voice that allows us to come through the darkest hours of our life That is what this book is about It is about going from hearing a barely discernible voice to hearing a clear voice It is about going from I think God is saying to I know God is saying because when you know what really happened and what is really available to you you will find a renewed sense of faith an insatiable new inspiration and a new path to a deeper relationship with God This book also reveals what causes us to vacillate in our hearing experience You will come away from this book knowing how to hear God clearly and what it means when you don t
