LEGACY OF JEWS IN THE MIDDLE EAST & NORTH AFRICA

This exhibit showcases the contributions of Jewish individuals in the Middle East and North Africa through the achievements of notable artists, intellectuals, actors, and musicians. Their legacies are still felt today. Doing so does not only pay homage to the legacy of those who lived in the region but is critical to understanding the region's rich history and present. By highlighting the contributions of these individuals, we can refute stereotypes and celebrate the diversity of the region and its people.
