

The Workhouse Child

Great Britain. Local Government Board

The Workhouse Child:

Workhouse Children Frank Crompton,1997 This book investigates the treatment of children in the workhouses in the period 1780 1871 It examines the way in which children were treated educated and trained by whom they were cared for and the outcome of their treatment

The Workhouse Child Geraldine Symons,1972 *Workhouse Child* Maggie Hope,2015-11-05 All she wants is a family of her own Lottie is just three years old when her Mammy dies and she is sent to the workhouse A childhood spent in poverty skivvyng for other people leaves her with no prospects no family Yet Lottie is bright and has ambitions for a better life And when an opportunity arises at the local Chapel Lottie seizes her chance But will she ever be anything more than a workhouse child

The Winter Orphan (The Children of the Workhouse, Book 3) Cathy Sharp,2019-09-05 A heartbreaking story of one child s courage from the bestselling author of *The Orphans of Halfpenny Street*

[The Barefooted Child](#) Cathy Sharp,2019-05-16 The heart breaking and compelling new book set in a Victorian workhouse from the author of the *The Orphans of Halfpenny Street* When Lucy and her brother Joshua are orphaned it falls to Joshua to provide for them both but he is barely into his teens and in his naivety falls prey to bad influences and drink Lucy is desperate to avoid the workhouse but when Joshua loses their meagre savings they are thrown out onto the street and in dire poverty it isn t long before Lucy finds herself at its gates almost a fate worse than death Inside the workhouse Lucy meets with unkindness and cruelty and she knows she must dig deep within herself if she is to survive let alone thrive What Lucy needs is a friend and she is surprised to find one in the most unlikely place

The Workhouse Simon Fowler,2014-09-11 A poignant account of the reality behind these famous Victorian institutions where the poor resided *The Independent* During the nineteenth century the workhouse cast a shadow over the lives of the English poor The destitute and the desperate sought refuge within its forbidding walls And it was an ever present threat if poor families failed to look after themselves properly In this fully updated and revised edition of his bestselling book Simon Fowler takes a fresh look at the institution that most of us are familiar with only from Dickens novels or films and the people who sought help from it He looks at how the system of the Poor Law of which the workhouse was a key part was organized and the men and women who ran the workhouses or were employed to care for the inmates But above all this is the moving story of the tens of thousands of children men women and the elderly who were forced to endure grim conditions to survive in an unfeeling world Draws powerfully on letters from *The National Archives* brings out the horror but it is fair minded to those struggling to be humane within an inhumane system *The Independent* A good introduction *The Guardian*

The Workhouse System 1834-1929 M. A. Crowther,2016-06-17 First published in 1981 Professor Crowther traces the history of the workhouse system from the Poor Law Amendment Act of 1834 to the Local Government Act of 1929 At their outset the large residential institutions were seen by the Poor Law Commissioners as a cure for nearly all social ills In fact these formidable impersonal prison like buildings housing all paupers under one roof became institutionalised places where routine came to be an end in

itself In the early twentieth century some of the workhouses became hospitals or homes for the old or handicapped but many continued to form a residual service for those who needed long term care Crowther pays attention not only to the administrators but also to the inmates and their daily life She illustrates that the workhouse system was not simply a nineteenth century phenomenon but a forerunner of many of today s social institutions **The Workhouse Child. Illustrated by Alexy Pendle** Geraldine Symons,1969 A generous impulse prompts Pansy to change clothes with a girl from the workhouse beginning a series of strange adventures **The workhouse orphan, by the author of 'A plea for the helpless'.** Workhouse orphan,1861 **The Workhouse Child** Emily Catford,2021-02-25 Annie hates living at the workhouse When her friend and protector leaves never to return she decides she has no choice but to run away After nearly being trampled underneath a tram she wonders if she d been better off staying where she was but a lucky encounter shows her there are some good people in the world When her friend dies in an accident Annie wonders if she s doomed and it s only the kindness of a stranger that makes her realise that she can she can have the family she s always dreamed of And when the place that still gives her nightmares is brought to justice is Annie s life finally on track Will fate mean that the new life she s starting to forge for herself is threatened or will she find her happy ever after Children Under the Poor Law William Chance,1897 *Dora's Workhouse Child* Dolly Price,2019-08-19 Blackwell Union Workhouse hid a secret for 8 long years Two daughters born behind the dark walls thrust into the arms of the wrong mothers one mother the Master s wife the other a slave of poverty Dora Phoebe and Claretta the workhouse babies switched at birth and thrust into an uncertain future As the years unfurl destiny sends the young ladies in different directions but their hearts are bound One runs the other seeks One haunted by fears the other reaching for a faith and a future Both longing for love Their stories are woven into a lifelong saga that will keep you reading to the heart rending end Will Phoebe discover her roots and finally find peace Will Claretta s past prevent her opening her heart to the arms of the man she has grown to love Two ladies forged in an unlikely sisterhood The men who seek to love them The long journey from workhouse to a world filled with deepest tragedy and soaring joy This is the story of Dora s workhouse child a historical Victorian romantic saga If you like Dilly Court and Rosie Goodwin you will love reading Dora s Workhouse Baby Childhood Transformed Eric Hopkins,1994 *Childhood Transformed* provides a pioneering study of the remarkable shift in the nature of working class childhood in the nineteenth century from lives dominated by work to lives centered around school The author argues that this change was accompanied by substantial improvements for many in the home environment in health and nutrition and in leisure opportunities The book breaks new ground in providing a wide ranging survey of different aspects of childhood in the Victorian period the early chapters examining life at work in agriculture and industry in the home and elsewhere while the later chapters discuss the coming of compulsory education together with changes in the home and in leisure activities A separate section of the book is devoted to the treatment of deprived children those in and out of the workhouse on the streets and also in prison industrial schools and

reformatories Offering a fresh and more focused approach to the history of working class children this book should be of interest to all lecturers and students of nineteenth century social history **The State and Its Children** Gertrude M. Tuckwell,1894 *The Charity Organisation Review* Charity Organisation Society (London, England),1903 *Annual Report* Great Britain. Local Government Board,1901 Supplements to the Board s Annual report include the Report of the medical officer Annual Report of the Local Government Board Great Britain. Local Government Board,1877 *The Poor Law Magazine and Parochial Journal* ,1873 **Reports of Poor law conferences** Poor law conference,1876 Ruth and Patience. (Reprinted from the Ministering Children.). Maria Louisa Charlesworth,1873
