In his collected works he elected to print his sermons commentaries notes journals and more producing an impressive thirty two duodecimo volumes the first being published in 1771 and the last in 1774 In the set of sermons that comprised those of the model deed included nine additional lectures that were not previously published bringing the total to 53 These 53 lectures have are in the first volume of this series **Christian Theology: a Selection of the Most Important Passages in the Writings of ...
