To Love To Cherish

Frank Edward Brightman

To Love To Cherish:

Jessie Bernard Reader Jessie Bernard, Michael S. Kimmel, Yasemin Besen, 2015-11-17 Jessie Bernard was one of the foremost early feminist sociologists and public intellectuals in women's studies. In *The Jessie Bernard Reader* Michael S. Kimmel and Yasemin Besen have compiled her most intriguing and influential work on marriage, the family, sexuality, and changing women's roles in the United States. Bernard's pioneering works bridged the gap between academic social science and public advocacy for gender equality. Her books were landmarks in demarcating the effects of the separation of spheres. Among her most celebrated arguments was that couples experienced two different marriages, his and hers, and that his was better than hers. This volume will inspire a new generation of scholars, a generation that inherits the gains for which Bernard struggled her entire career.

The Church Eclectic, 1902 **The Star Book for Ministers** Edward Thurston Hiscox, 1878
Commentary on the Gospel According to St. John William Bruce, 1905 **Addiction to Love** Susan Peabody, 2011-04-13

Love addiction manifests in many forms, from Fatal Attraction type obsessive lust to less extreme but nonetheless psychologically and emotionally harmful forms. The most common of these is staying in a bad relationship because of a fear of being alone, the "I hate you but don't leave me" relationship. In *ADDICTION TO LOVE* recovering love addict Susan Peabody explains the variety of ways this disorder plays out, from the obsessively doting love addict to the addict who can't disentangle from an unfulfilling dead-end relationship. Peabody provides an in-depth and easy-to-follow recovery program for those suffering from this unhealthy and often dangerous addiction and explains how to create a loving, safe, and fulfilling relationship. A seminal work on unhealthy and obsessive behaviors in love and how to change behavior to have a positive relationship. This third edition includes a new introduction and revisions to the text throughout. Some symptoms of love addiction include love at first sight, excessive fantasizing, abnormal jealousy, nagging, and accepting dishonesty. Even relationships with parents, children, siblings, or friends may be addictive. Dependency is not always related to romantic love. Previous editions have sold more than 40,000 copies. Love addiction is a three-headed serpent that Susan Peabody adeptly slays. This is the quintessential book for any love addict or counselor needing to fully understand this highly prevalent and complex disorder. Susan detects and dissects aspects of this condition not comprehended in other books of its kind. Recovery is possible. This book makes it possible to take the succinct steps necessary toward a loving and reciprocal long-term intimate relationship.
