

A vibrant illustration of a prehistoric landscape. In the foreground, a large, dark, gnarled tree trunk stands on the right. A river flows through the center, with several large rocks. On the left bank, a brown and white striped cat-like creature (possibly a saber-toothed cat) stands looking towards the right. In the middle ground, a long-necked dinosaur with a blue and grey body is walking towards the left. In the background, a small brown and white mammal stands near a body of water. The sky is a mix of yellow and orange, suggesting a sunset or sunrise. The overall scene is rich in detail and color.
