Havoc Tom Kristensen, 2018-06-12 A longtime cult classic in Denmark this novel about dissolution and despair has been out of print in the US for over eighty years until now Ole Jastrau is the very model of an enterprising and ambitious young man of letters poised on the brink of what is sure to be a distinguished career as a critic In fact he is teetering on the brink of an emotional and moral abyss Bored with his beautiful wife and chafing at the burdens of fatherhood disdainful of the commercialism and political opportunism of the newspaper he works for he feels more and more that his life lacks meaning He flirts with Catholicism and flirts with Communism but somehow he doesn't have the makings of a true believer Then he takes up with the bottle a truly meaningful relationship Slowly and quietly he intends to go to the dogs Jastrau's romance with self destruction will take him through all the circles of hell The process will be anything but slow and quiet
