Tomorrow Jerusalem:

Tomorrow, Jerusalem Teresa Crane,2002 Operation Solomon Stephen Spector,2005-03-15 Operation Solomon was one of the most remarkable rescue efforts in modern history in which more than 14 000 Ethiopian Jews were airlifted to Israel in little more than a day In this riveting volume Stephen Spector offers the definitive account of this incredible story based on over 200 interviews and exclusive access to confidential documents Written with the pace and immediacy of a novel here is the dramatic story of the rescue of the dark skinned Jews of Ethiopia Spector recounts how 20 000 Jews were willingly lured from their ancestral villages to Addis Ababa expecting to be taken quickly from there to the Holy Land Instead they became pawns in a struggle between the Israeli government and Ethiopia s repressive dictator who tried to coerce Israel into selling him weapons he needed in a losing war against rebel armies In the resulting stalemate the Jewish community was forced to live for nearly a year in squalid hovels vulnerable to the dangers of the city including crime and HIV Worse yet the imminent collapse of Addis Ababa with the rebels closing in on the capital raised the threat of bloody street fighting or even a genocidal attack on the Jews a small minority in a nation that is primarily Christian and Muslim Spector describes the tense negotiations among Israelis Ethiopians and Americans which became increasingly urgent as time ran low and the danger mounted And he highlights the secret deals and sudden setbacks that nearly aborted the mission at the eleventh hour even as Israeli jets sat on the runway in Ethiopia waiting to take the Jews to the land for which they had yearned for generations Recounting the full story for the first time Operation Solomon is a stirring account of a heroic rescue achieved in the face of daunting odds Behold a White Horse Cisco Wheeler,2009 My people are destroyed for lack of Knowledge Hosea 4 6 This book is not meant for those who refuse to step out of their box but instead cling onto their blinders believing that the world is exactly as they have always been taught it is Rather it is specially written for those who discern that things are not exactly as they seem and are dedicated to the pursuit of truth and knowledge For we wrestle not against flesh and blood but against principalities against powers against the rulers of the darkness of this world against spiritual wickedness in high places Ephesians 6 12 Behold a White Horse is a roller coaster ride engaged in a myriad of related topics The reader will be taken all the way back to ancient Babylon the foundation of all secret societies and continue on through Egypt and Rome Other topics covered are ceremonial magick kundalini power and evil spirits the Talmud Kabbalah the apostasy of the Christian church today alchemy Papal Rome and the Catholic church false prophets of the world televangelists wolves in sheep s clothing pagans in the pulpit Who changed the truth of God into a lie and worshipped and served the creature more than the creator who is blessed forever Amen Romans 1 25 This work is spiritually based using many scriptures It is the prayer of the author that through careful reading of these pages the reader can connect the dots into a whole new level of discernment to help guard against demon traps and the many devices of Satan Knowledge is power and the truth really does set you free **City on a Hilltop** Sara Yael Hirschhorn,2017-05-22 Since Israel s 1967 war more
