Tony Lazzeri:

Tony Lazzeri Paul Votano,2005-04-29 Baseball player Tony Lazzeri was the first great Italian American sports superstar He was known for his excellent glove strong throwing arm and good speed as well as his honesty integrity and support of his teammates This member of the 1927 Murderers Row of the New York Yankees batted sixth behind Earl Combs Mark Koenig Babe Ruth Lou Gehrig and Bob Meusel The major league s first power hitting second baseman he batted over 300 five times and drove in over 100 runs in seven seasons He was the Yankees regular second baseman for twelve consecutive seasons and helped them win six pennants and five world championships Chosen to play in the first All Star Game in 1933 he made the Major League Baseball Hall of Fame in 1991 Researched from primary sources as well as interviews with his peers this biography covers Lazzeri s life from his birth in San Francisco to Italian immigrants his harsh poverty stricken childhood and struggles with epilepsy though he never suffered an attack while playing baseball through every moment of his impressive career as well as the time he struck out against Grover Cleveland Alexander in Game Seven of the 1926 World Series ending with his death at age 42 of a heart attack Lazzeri s batting record is included as an appendix and the work is illustrated with both private and public photographs

Tony Lazzeri Lawrence Baldassaro,2021-04 Winner of the 2022 SABR Baseball Research Award Before there was Joe DiMaggio there was Tony Lazzeri A decade before the Yankee Clipper began his legendary career in 1936 Lazzeri paved the way for the man who would become the patron saint of Italian American fans and players He did so by forging his own Hall of Fame career as a key member of the Yankees legendary Murderers Row lineup between 1926 and 1937 in the process becoming the first major baseball star of Italian descent An unwitting pioneer who played his entire career while afflicted with epilepsy Lazzeri was the first player to hit sixty home runs in organized baseball one of the first middle infielders in the big leagues to hit with power and the first Italian player with enough star power to attract a whole new generation of fans to the ballpark As a twenty two year old rookie for the New York Yankees Lazzeri played alongside such legends as Babe Ruth and Lou Gehrig He immediately emerged as a star finishing second to Ruth in RBIs and third in home runs in the American League In his twelve years as the second baseman for Yankee teams that won five World Series he was their third most productive hitter driving in more runs than all but five American Leaguers and hitting more home runs than all but six Yet for all that today Lazzeri is a largely forgotten figure his legacy diminished by the passage of time and tarnished by his bases loaded strikeout to Grover Cleveland Alexander in Game Seven of the 1926 World Series a strikeout immortalized on Alexander s Hall of Fame plaque Tony Lazzeri reveals that quite to the contrary he was one of the smartest most talented and most respected players of his time the forgotten Yankee who helped the team win six American League pennants and five World Series titles
