The Bunnibank - A 24 Carrot Parable Hip Hopper, 2008-10-05 Fractional Reserve Lending Creation of money out of thin air Inflation Economic cycles of Boom and Bust It s all so difficult for people to understand and that s just the way the credit lending banking Institutions want it to be The truth about it all is so shocking that most people just don t want to believe it So here is the tale told the way an Aesop s Fable would be presented clear humorous and metaphorical This preview includes several pages from throughout the book The whole book deals with the crux of the problem how it first developed how some people began catching on to the REAL deception involved and finally how we can all work our way back to an honest monetary system together The time is right for this

**Seduced By Mathematics: The Enduring Fascination Of Mathematics** James D Stein, 2022-07-20 Seduction is not just an end result but a process and in mathematics both the end results and the process by which those end results are achieved are often charming and elegant This helps to explain why so many people not just those for whom math plays a key role in their day to day lives have found mathematics so seductive Math is unique among all subjects in that it contains end results of amazing insight and power and lines of reasoning that are clever charming and elegant This book is a collection of those results and lines of reasoning that make us say OMG that s just amazing because that s what mathematics is to those who love it In addition some of the stories about mathematical discoveries and the people who discovered them are every bit as fascinating as the discoveries themselves This book contains material capable of being appreciated by students in elementary school as well as some material that will probably be new to even the more mathematically sophisticated Most of the book can be easily understood by those whose only math courses are algebra and geometry and who may have missed the magic enchantment and wonder that is the special province of mathematics
