# Troubled Society

**Katia Lief**

## **Troubled Society:**

**Group Work Practice in a Troubled Society** Roselle Kurland, Robert Salmon, 2013-10-08 This book presents the wide range and diversity of effective group work practice in today's troubled society. Representing the best in current practice, chapters discuss modern group work and contain rich examples of practice and theory. *Group Work Practice in a Troubled Society* examines the social realities in which group work is now practiced and addresses present-day social issues and problems. Contributing authors to *Group Work Practice in a Troubled Society* discuss innovations in practice programs and theory and a wide variety of work with clients in many different settings. There is a breadth and strength and diversity in contemporary group work practice and the authors, practitioners and educators from the United States, Canada, and Hong Kong represent the vitality of current practice and theory. Among the many topics they discuss are contextual group work practice, latent content in work with groups, group work in administration, cultural sensitivity and diversity in small group practice, group work in other cultures and with immigrant populations, feminist group work and unique considerations in work with women's groups, group work with sexually abused children, incest survivors and with sexual offenders, group work in community centers, group work with mentally ill, chemical abusers, group work use in an innovative 12-step modality. *Group Work Practice in a Troubled Society* provides a wealth of information and ideas for social workers and students of social work who are interested or involved in group work and who wish to learn more about current practice and developments in the field.

**The Troubled Mind of Northern Ireland** Raman Kapur, Jim Campbell, 2018-04-24 The Troubles in Northern Ireland have endured for so long that eventually the abnormal has become normal. This volume examines the processes by which society has become gradually dehumanised and how the inhuman conditions under which people have been forced to live so long have come about. The authors seek to understand this situation and build upon the current literature using their different personal and professional backgrounds to great effect to create a wider perspective. They describe the political background, the framework of Kleinian psychoanalysis and then bring the two together to create a new foundation from which to move from a troubled mind to a mind at peace. *Troubled Society Series* Arielle North Olson, 1991-08

**The Rise and Fall of Rocky Love** Katia Lief, 2011-05-27 IS FAME REALLY WORTH ALL THE TROUBLE. Aspiring cartoonist Catherine Cat Gold earns her living as a celebrity assistant in uptown Manhattan while navigating the cramped downtown spaces of life, love and alternative art. Her boss is Rochelle Rocky Love, a celebrated 1970s feminist and has been 80s radio and television star who is convinced she can forge a 90s comeback with an autobiography. But the ghostwriter hired to glorify her life instead reveals a battleground of treachery and hypocrisy littered with lies and sex that cross all the boundaries. When Cat herself experiences Rockys duplicity and learns that the icon is a fraud, she is fueled by a sense of disappointment and conspires with the ghostwriter to reveal the unspeakable truth about their narcissistic boss. Praise for international bestseller Katia Lief's novels: Wonderfully funny and terribly true. Fay Weldon. Urban hip sad funny a
