Rock Bottom Sabrina Allen,Dayna Allen,2009-11-06 This book is designed for those that desire a closer relationship and fellowship with the Father As the reader reads this poetry we feel once they grasp the idea to look at our Father and not the situation s they may face they will find that God is a way maker and in his presence there is peace So many times in life we awake in a strange land meaning this is a new place in our lives and or families we are not sure how we got here or how to get back to that first love which is God We can have all of those things that God has designed all we have to do is to ask We communicate with our Father when we read pray fast talk and sing to him Giving a total submission to God and allowing him to shine through our being readers will find that when God has our undivided attention how he turns a bad situation to a glorified project for his kingdom When we dont communicate with God we experience separation and this makes us feel that God is far away from us and perhaps we may even feel that he has given up on us This is the flesh and carnal nature talking to us based on our emotions God is with us even when we hit the bottom

GOD'S Eternal Truth Tyrone Wims,2019-05-13 God s Eternal Truth is a tapestry of food for thought poems and prayers that touch the fabric of our spirituality and faith Each selection separately attempts to reach a clearer understanding of our relationship with God and one another Collectively they are woven into an expressive quilt of warm spiritual uplift Too often we unnecessarily complicate our divine connection with a shroud of pomp and circumstance We see only what we want in a kaleidoscope of alternative colorful images that misrepresent the true reality of our life experience This book is not a personal journal but one individual s illuminating lightbulb moments It sheds light on issues and concerns we all share in our life journey The divine threads of love faith and hope presented at birth are like a ball of yarn This book is a compilation of these elements knitted together to form a constantly expanding garment of truthful awareness It is by sharing the basic life lessons learned that we begin to wear a suit of truthful understanding This collection of spiritual reflections are my food for thoughts poems and prayers resulting from my ongoing travels along the soul stirring river of truth They consist of my internal visions inspired by the Holy Spirit

We all have pieces of the collective puzzle of divine truth When we share and compare them with one another in fellowship we come a little closer to understanding the big picture of God s eternal truth With eyes wide open we see glimpses of the truth that God has for us spirit divine
