

Gary LaFontaine

Trout Flies

Proven Patterns

“These patterns are the culmination of more than twenty years of research and innovation. For the first time all of Gary LaFontaine’s trout flies, each one pictured in color (with tying instructions), are collected in a single volume. Dries, emergers, nymphs, wets, streamers—all of the flies in this series have been proven in specific situations to be the best imitations and attractors available today. They are all here in this great book. They are the secret to being a better fly fisherman.”
