subdivision is a guard rail It was a tight corner that had harbored many accidents over the years As I passed the guard rail I did a double take Through the sheets of rain I could make out the figure of a man who stood on top of it as if contemplating jumping I did not flip around immediately in fact I drove my car into my driveway and sat there for a second having an inner fight with myself Part of me was arguing it wasn't my business and not to get involved but the other part of me said It's Christmas eve this guy might really need some help Where is your holiday spirit I sighed loudly and pounded my fists on my steering wheel before turning my key over and backing up out of my driveway The rain was pounding down with no sign of letting up and since there were no other cars on the road at the time I flicked my high beams on to get a better look once I neared the guard rail There was no sign of the man My mind began to race Had he actually jumped I put my car into park and pulled off the road I fumbled for my cellphone and ran out into the freezing rain to search for him Read this story and 16 Chilling Chapters of spine chilling true ghostly sightings from all over the world **True Paranormal Hauntings** Max Mason Hunter,2016-04-29 14 Spine Chilling Tales Of True Ghost Stories And Hauntings True Paranormal Hauntings To Keep You Up At Night Some ghost stories send tingles of excitement down your spine while others make you gulp as you dig deeper into the shocking tale Other ghost stories will make you shiver with fear and hug your blanket tightly as you stare out your window and wonder what exists in the vast expanse of darkness that envelops your room during the night time Very few ghost stories have the potential to grab you from the very start and pull you into the world where restless spirits malevolent beings and other paranormal entities rule a world where humans have very little control and they have to succumb to the nefarious will of these terrorizing beings and hope that God himself offers them a way of escape Whether you want to believe it or not this is the world that we live in These creatures live amongst us and some of them can't wait for the perfect opportunity to strike so they can kill you or pull you down into their dark inescapable realm Many before you were skeptical until they had their menacing experiences with the ghosts themselves Not many have lived to tell the tale but the few who have lived through their supernatural experiences with the underworld have passed on the stories from generation to generation and now here they stand before your very eyes *Days of the Dead* Sylvia Shults,2021-09-14 Are you brave enough to spend every day of the year with ghosts Paranormal reporter Sylvia Shults has collected 366 ghost stories one for every single day of the year and has detailed them in this ambitious work There's a story for your birthday There's a story for your pet's birthday There's a story to make every day spooky Open the cover and peek inside if you dare **True Ghost Stories** Britney Clark,2016-02-02 Haunted Houses Creepy Paranormal Accounts And Scary True Ghost Stories That Will Chill You To The Bone Chilling stories mind boggling events and paranormal activities We often hear them from the television and can get a little get scared Although they do not happen to us it is frightening to know how people can become constantly plagued by them Maybe your house is an old building or your school is a former cemetery Perhaps someone you know can feel and see other worldly entities Look around you do you remember a moment when you heard a screeching sound from the
