## True And Lasting Love:

Personal Prophecy Deborah Leigh,2003-10 Deborah Leigh has intuitively read ordinary playing cards professionally for the last 20 years She learned about Personal Prophecy and how to apply its principles to achieve a happier more satisfying life from her grandmother who handed the fundamentals down to her two years before her death Aside from her grandmother s revolutionary teachings Deborah hasn t been able to find information on this particular method of perceiving the future to attain genuine love success and happiness through ordinary playing cards anywhere While others might consider themselves gifted Deborah insists she is not She merely possesses an exceptionally well developed intuitive sense focused through playing cards A skill she believes anyone is capable of developing for themselves to bring true empowerment to their lives Over the years Deborah has taught others around the world to read playing cards as expertly as she does They are faithful devoted followers of Personal Prophecy to this day

McDermet,2022-02-03 Most of us settle We live average safe mediocre lives But does that kind of living reflect what God has called us to The abundant life that Jesus promised his followers is nothing less than amazing when we realize that God is working in us so that we may be conformed to the image of his Son Romans 8 29 Jesus did not live an ordinary life and nor should we Walk on Water invites believers to rise above the norm This daily devotional takes a fresh look at the Word of God Be inspired by the lives of Esther Daniel Jonah and others Be challenged with Jesus no nonsense conversations with the Pharisees and the disciples Be emboldened through the honest emotions that pour from the hearts of the writers of the Psalms In addition to daily devotionals twelve true stories experienced by Deb herself are added at the end of each month to encourage and humor the soul

**True and Lasting Love** Bernardo Leonard,2003 This is a must and essential book to have Le Meilleur the best There is power in the words and gestures of Bernardo It is impossible to read his work without being moved He pours himself out before you and in your own heart you experience immediate contact and warmth He transports you to a purer region from which dogmas and mysteries descend He loosened his words like arrows from the bow and his whole heart seems to fly with them The pathetic the profound the sublime are side by side with the simple and the ordinary What is most divine in the heart of a man cannot be expressed in writing Yet this writer did It has depth it convicts It causes one to re evaluate oneself Yet dira la verite est beate to tell the truth is beautiful Jean Paul Screenwrite Nice France A very thought provoking book to say the least As Bernardo Leonard points out with sometimes painful clarity there is no greater power on earth than love The

merging of earthly Love and theological support of that Love is accomplished without undue and unnecessary pressure to convert. Instead the pressure exerted upon the reader is to think hence thought provoking. As much as I tried to disagree with him on certain issues of forgiveness I knew in my heart that Bernardo was right. We can fool some of the people some of the time fool all of the people all of the time but we can never fool ourselves at any time. When you know the truth in your heart you know the truth. Period. To err is human to forgive is divine. So much of humanity is so far removed from divine reading and digesting this book will bring them closer. The reader can identify with each of Bernardo's Love filled and Love driven chapters because every human being is in search of ONE thing and only one thing LOVE. Some run the race claiming it's money or fame they are after others claim this and still others claim that Every one of us understands that the reason we live is to Love and be Loved. Thank you Bernardo for putting these truths to paper. Stan Brushwood Tucson Arizona *The Search for the Grail* Julia Bachope Goddard,1873 **There Are No Goodbyes** Gloria M. Rodriguez,2010-05 Starting first as a poet Gloria M Rodriguez wrote many poems about memories of her parents love for each other and their family. The poems developed into short stories of their challenges brought about by war and why they came to finally make their home in the United States after the Spanish Civil War. After some encouragement from many friends and finally a request from a niece she gathered all the memories and notes made through the years and put them into true chronological order so as to tell a story of truth and what love and family came to mean between two people caught in life's constant challenges. Notes and comments came from conversations with her parents through their years together and information acquired from various family members. Along with maps showing the paths taken by her parents then researching and taking them herself to see what it must have been like to exit war torn Spain in 1938 it helped to tell a true story with very little fantasy. Gloria tries to paint a picture of culture from two distinct continents during the years of 1913 to 1940 and beyond until their deaths. The story reveals customs of its times and the nonsense of war brought about by frustration politics and the economy during this period. Above all it has shown true love can conquer all of life's challenges. History has revealed the ugly truth of what happened during this period but this true story tells the love two people had during this period and until their deaths.
