Trujillo: The Chief, Report on the Island of Porto Rico Henry K. Carroll, Henry King Carroll, 1899 *Public Health Leadership and Management* Stuart A. Capper, Peter M. Ginter, Linda E. Swayne, 2002 The fifteen case studies in this book place the reader in a wide variety of real public health leadership situations Each situation is presented to the student with the swirl of communications conflicts and conundrums that I have found accompany any difficult public health leadership judgment The case writers have done a very good job of placing the student in public health decisional situations that to me feel like the reality of my own professional life William L Roper MD MPH Dean School of Public Health The University of North Carolina at Chapel Hill from the Foreword The six chapters and fifteen cases contained in this book challenge students to ask the appropriate questions and stimulate their thinking about public health leadership and management The chapters provide the student with a framework and tools for case analysis and the important environmental context of the health care system in general and public health systems specifically The 15 public health case studies are all based on actual situations faced by real public health leaders encompass all of the core disciplines in public health are geographically diverse and include international content and provide substantial detail that immerses the student in meaningful decisional simulations The situations presented by each case are vivid and provide not only a basis for practicing professional public health judgments but also provide a lasting impression that aids in retention of the lessons learned **Trujillo** Abelardo René Nanita, 1957 *Balaguer and the Dominican Military* Brian J. Bosch, 2014-11-21 Following the 1961 assassination of dictator Rafael Trujillo the Dominican Republic descended into a period of national turmoil and political instability culminating in 1965 when a catastrophic civil war engulfed the capital city of Santo Domingo The intervention of foreign troops particularly U S troops played a critical role in the multinational effort to allow presidential elections to take place in June 1966 The result was the installation of Joaquin Balaguer in the presidency Subsequently this skillful civilian leader defeated both a right wing coup and a Cuban based guerrilla expedition and successfully gained control of the chaotic Dominican officer corps by the mid 1970s In this comprehensive study of the Dominican Republic's Balaguer era the author draws upon declassified U S State Department and military documents and his own experiences as an army attache in the U S Embassy Santo Domingo during the early 1970s The result is a unique inside look at Balaguer's presidency his skillful manipulation of rival officers and cliques and American involvement in the political history of the Dominican Republic **The World To-day**, 1907 **The Tropic of Baseball** Rob Ruck, 1999-01-01 Looks at the history of baseball in the Dominican Republic and looks at the most prominent Dominicans to reach the Major Leagues **Strategic Management of Health Care Organizations** Linda E. Swayne, W. Jack Duncan, Peter M. Ginter, 2012-07-10 The 6th edition of this established text is streamlined to a more manageable format with the Appendices moved to the web site and a significant shortening of the main text There is a greater focus on the global analysis of industry and competition and analysis of the internal environment

In consultation with feedback from their adopters the authors have concentrated on the fundamentals of strategy analysis and the underlying sources of profit This reflects waning interest among senior executives in the pursuit of short term shareholder value As ever students are provided with the guidance they need to strategic planning analysis of the health services environment internal and external and lessons on implementation with additional discussion of organizational capability deeper treatment of sustainability and corporate social responsibility and more coverage of the sources of organizational inertia and competency traps This edition is rich in new examples from real world health care organizations Chapters are brought to life by the Introductory Incidents Learning Objectives Perspectives Strategy Capsules useful chapter summaries and questions for class discussion All cases and examples have been updated or replaced In this edition the teaching materials and web supplements have been greatly enhanced with power point slides to give lecturers a unique resource

Trujillo: The Last Caesar Arturo R Espailat, 2025-01-14 Trujillo The Last Caesar by Arturo R Espailat is a riveting and deeply personal account of Rafael Le nidas Trujillo the infamous dictator who ruled the Dominican Republic with an iron fist for over three decades Written by a former high ranking member of Trujillo s regime this book offers an insider s perspective on one of Latin America s most controversial leaders and the intricate workings of his authoritarian rule Espailat once a trusted confidant of Trujillo provides a detailed portrait of the man behind the myth blending historical analysis with firsthand experiences He explores Trujillo s rise to power his methods of control and the cult of personality he cultivated to maintain his grip on the nation Through vivid anecdotes and sharp observations Espailat examines Trujillo s strengths and flaws shedding light on his charisma ambition and the ruthless tactics that earned him the nickname The Last Caesar The book delves into the political social and economic transformations of the Dominican Republic under Trujillo revealing both the progress achieved and the human cost of his rule Espailat does not shy away from discussing the corruption repression and violence that characterized the regime offering a complex and multifaceted view of Trujillo s legacy Trujillo The Last Caesar is a compelling and thought provoking work that provides rare insight into one of the most enigmatic figures in modern history It is an essential read for those interested in understanding the dynamics of dictatorship the psychology of power and the enduring impact of Trujillo s rule on the Dominican Republic and beyond Perfect for history enthusiasts political scholars and anyone seeking to understand the complexities of authoritarian leadership this book stands as a fascinating and candid exploration of a tumultuous era

The Top Books of the Year Trujillo The Chief The year 2023 has witnessed a remarkable surge in literary brilliance, with numerous captivating novels captivating the hearts of readers worldwide. Lets delve into the realm of top-selling books, exploring the fascinating narratives that have enthralled audiences this year. The Must-Read : Colleen Hoovers "It Ends with Us" This poignant tale of love, loss, and resilience has captivated readers with its raw and emotional exploration of domestic abuse. Hoover masterfully weaves a story of hope and healing, reminding us that even in the darkest of times, the human spirit can prevail. Trujillo The Chief : Taylor Jenkins Reids "The Seven Husbands of Evelyn Hugo" This intriguing historical fiction novel unravels the life of Evelyn Hugo, a Hollywood icon who defies expectations and societal norms to pursue her dreams. Reids compelling storytelling and compelling characters transport readers to a bygone era, immersing them in a world of glamour, ambition, and self-discovery. Trujillo The Chief : Delia Owens "Where the Crawdads Sing" This mesmerizing coming-of-age story follows Kya Clark, a young woman who grows up alone in the marshes of North Carolina. Owens weaves a tale of resilience, survival, and the transformative power of nature, entrancing readers with its evocative prose and mesmerizing setting. These bestselling novels represent just a fraction of the literary treasures that have emerged in 2023. Whether you seek tales of romance, adventure, or personal growth, the world of literature offers an abundance of captivating stories waiting to be discovered. The novel begins with Richard Papen, a bright but troubled young man, arriving at Hampden College. Richard is immediately drawn to the group of students who call themselves the Classics Club. The club is led by Henry Winter, a brilliant and charismatic young man. Henry is obsessed with Greek mythology and philosophy, and he quickly draws Richard into his world. The other members of the Classics Club are equally as fascinating. Bunny Corcoran is a wealthy and spoiled young man who is always looking for a good time. Charles Tavis is a quiet and reserved young man who is deeply in love with Henry. Camilla Macaulay is a beautiful and intelligent young woman who is drawn to the power and danger of the Classics Club. The students are all deeply in love with Morrow, and they are willing to do anything to please him. Morrow is a complex and mysterious figure, and he seems to be manipulating the students for his own purposes. As the students become more involved with Morrow, they begin to commit increasingly dangerous acts. The Secret History is a exceptional and suspenseful novel that will keep you wondering until the very end. The novel is a warning tale about the dangers of obsession and the power of evil.
