when the troop reached the Niobrara and unsaddled along the grassy banks Rather slim numbers for the duty to be performed and with the captain away too Not that the men had lack of confidence in Lieutenant Blunt but it was practically his first summer at Indian campaigning and however well a young soldier may have studied strategy and grand tactics at West Point it is something very different that is needed in fighting these wild warriors of our prairies and mountains Blunt was brave and spirited they all knew that but in point of experience even Trumpeter Fred was his superior All along the dusty trail for an hour before they reached the ford the tracks of the Indian ponies had been thickly scattered A war party of at least fifty had evidently gone trotting down stream not six hours before the soldiers rode in to water their tired and thirsty steeds No comrades were known to be nearer at hand than the garrison at Fort Laramie fifty long miles away or those guarding the post of Fort Robinson right in the heart of the Indian country and in the very midst of the treacherous tribes along White River And yet under its second lieutenant and with only twenty nine rank and file here was B Troop ordered to bivouac at the Niobrara crossing and despite the fact that all the country was alive with war parties of the Sioux to wait there for further orders

Trumpet Blues Peter J. Levinson, 1999-11-18 Swing is back in style and with it a renewed interest in the Big Band Era And few players dominated that era more than Harry James whose soaring trumpet solos and romantic hit tunes influenced popular music for a generation Now Peter J Levinson who knew Harry James personally has written a revealing biography of this jazz icon based on nearly 200 interviews with musicians and friends Harry James led a truly colorful life and in Trumpet Blues Levinson captures it all Beginning with James s childhood in a traveling circus we follow the young trumpeter s meteoric rise in the 1930s and witness his electrifying performances with the Benny Goodman Orchestra We see how James formed his own band in 1939 an incubator for many pop music stars of the 1940s and 50s including Frank Sinatra Connie Haines Dick Haymes Helen Forrest and Kitty Kallen Combined with James s superb musicianship peerless trumpet technique and talented sidemen this stellar group dominated the war years and the immediate post war period And James himself especially after his marriage to film goddess Betty Grable became one of America s most famous personalities and lived like true Hollywood royalty Levinson describes their twenty two year marriage with insight and sympathy But he shows how James s marriage and his triumphant late 1950s comeback in Nevada s casinos were slowly undermined by his penchant for compulsive gambling womanizing and alcoholism He gives us the inside story of James s sybaritic life style and probes the profound psychological reasons for James s destructive behavior The first biography ever written on Harry James Trumpet Blues is a scintillating portrait of Swing s brightest star his life his loves and the music that defined an era
