Once there was a family named Hemlock who lived, in another time, near the base of Cascom Mountain, a high bold mountain of hardwood trees, dark evergreens and granite crags. They were preparing for the long dark season when the days would be short and the wind like knives, when their cow, Oka, and their ox, Brin, and the two goats and the pig would barely heat the small barn with their bodies. The barn was barer now, for their bull, who had been the brother of Brin, had wandered away from the pasture in the spring and never returned. And Oka's calf had died at birth. In the cabin the fireplace would burn by day and ember by night, eating the precious cords of
