Moral Development Process Richard Lawton Swanson,1977 100 Ways to Enhance Values and Morality in Schools and
Youth Settings Howard Kirschenbaum,1995 Appropriate for use at all levels from elementary school through college this
 unique guide combines the best field tested approaches to values character citizenship and moral education into a single
 comprehensive easy to implement model for contemporary values education This model incorporates time tested methods for
 instilling and modeling traditional values such as respect responsibility and compassion with more modern methods aimed at
 helping students learn to think for themselves make their own responsible decisions and develop the skills needed for good
 citizenship and moral literacy This is a timely and significant book packed with 100 specific strategies hundreds of practical
 ideas dozens of thought provoking cartoons and quotes and numerous examples from real elementary and secondary schools
 Designed to work hand in hand with a teacher s current academic subject matter objectives this approach does not depend
 on a separate module or curriculum focused on values The author explains how teachers can integrate values education and
 subject matter learning so they enhance one another and provides numerous examples of subject matter activities and
 lessons that also meet the objectives of a values program These activities are effective motivating and interesting for
 students and teachers they make the classroom come alive K 12 Classroom Teachers A Longwood Professional BookAlso

 Miller,Glen D. Fielding,1980 Education in the Moral Domain Larry P. Nucci,2001-05-07 This book brings together the
 results of 25 years of research on the domain theory of social cognitive development On the basis of that research which
 shows that morality is a domain distinct from other social values the author provides concrete suggestions for creating a
 moral classroom climate dealing with student discipline and integrating moral values within the curriculum Among questions
 addressed are Is morality a set of rules we acquire like any other Are there universal aspects to morality or is it culture
 specific Is there such a thing as moral character How best can teachers make use of our knowledge about children s moral
 and social growth in their everyday classroom practices Integrated answers to these questions result in a comprehensive
 approach that does not reduce moral education to a process of induction or inculcation but rather harnesses children s
 intrinsic motivation to comprehend and master their social worlds The Acquisition and Transmission of Values in Moral
