Gogh,2011-07-01 Vincent van Gogh s life and work are so intertwined that it is hardly possible to observe one without thinking of the other Van Gogh has indeed become the incarnation of the suffering misunderstood martyr of modern art the emblem of the artist as an outsider An article published in 1890 gave details about van Gogh s illness The author of the

article saw the painter as a terrible and demented genius often sublime sometimes grotesque always at the brink of the pathological Very little is known about Vincent's childhood At the age of eleven he had to leave the human nest as he called it himself for various boarding schools The first portrait shows us van Gogh as an earnest nineteen year old At that time he had already been at work for three years in The Hague and later in London in the gallery Goupil Co In 1874 his love for Ursula Loyer ended in disaster and a year later he was transferred to Paris against his will After a particularly heated argument during Christmas holidays in 1881 his father a pastor ordered Vincent to leave With this final break he abandoned his family name and signed his canvases simply Vincent He left for Paris and never returned to Holland In Paris he came to know Paul Gauguin whose paintings he greatly admired The self portrait was the main subject of Vincent's work from 1886c88 In February 1888 Vincent left Paris for Arles and tried to persuade Gauguin to join him The months of waiting for Gauguin were the most productive time in van Gogh's life He wanted to show his friend as many pictures as possible and decorate the Yellow House But Gauguin did not share his views on art and finally returned to Paris On 7 January 1889 fourteen days after his famous self mutilation Vincent left the hospital where he was convalescing Although he hoped to recover from and to forget his madness but he actually came back twice more in the same year During his last stay in hospital Vincent painted landscapes in which he recreated the world of his childhood It is said that Vincent van Gogh shot himself in the side in a field but decided to return to the inn and went to bed The landlord informed Dr Gachet and his brother Theo who described the last moments of his life which ended on 29 July 1890 I wanted to die While I was sitting next to him promising that we would try to heal him he answered *La tristesse durera toujours* The sadness will last forever *The Letters of Vincent Van Gogh to His Brother, 1872-1886* Vincent van Gogh,1927 *Vincent Van Gogh* Ingo F. Walther,Vincent van Gogh,Rainer Metzger,1993 *Conversations with Van Gogh* Vincent Van Gogh,Simon Parke,2010-04-01 *Conversations with Van Gogh* is an imagined conversation with this remarkable figure But while the conversation is imagined Van Gogh's words are not they are all authentically his Speaking with Vincent was a privilege says Simon Parke He's endlessly fascinating contradictory moving funny insightful and tragic **Vincent van Gogh** Vincent van Gogh,Victoria Charles,2014-02-14 The incarnation of the myth of a cursed artist Vincent van Gogh 1853 1890 is a legend who became a reference for modern art An Expressionist during the Post Impressionist movement his art was misunderstood during his lifetime In Holland he partook in the Dutch realist painting movement by studying peasant characters Anxious and depressed Vincent van Gogh produced more than 2000 artworks yet sold only one in his lifetime A self made artist his work is known for its rough and emotional beauty and is amongst the most popular in the art market today *Van Gogh and the Colors of the Night* Vincent van Gogh,Sjraar van Heugten,Joachim Pissarro,Chris Stolwijk,2008 Van Gogh's paintings of night and evening scenes Includes essays by scholars from the Van Gogh Museum in Amsterdam provide a context for understanding the artist's motives and offering insight into Van Gogh's artistic practices **Ever Yours** Vincent van Gogh,2013-12-01 An abridged edition of the complete six volume

publication Vincent van Gogh the letters the complete illustrated and annotated edition 2009 Title page verso *Van Gogh* Julian Bell, 2022-01-25 I believe in the absolute necessity of a new art of colour of drawing and of the artistic life Vincent van Gogh wrote to his brother Theo in 1888 And if we work in that faith it seems to me that there s a chance that our hopes won t be in vain His prediction would come true In his brief and explosively creative life he committed suicide a few years later at the age of thirty seven Van Gogh made us see the world in a new way His shining landscapes of Provence and somber portraits of workers shattered the relationship between light and dark and his hallucinatory visions were so bright they nearly blinded the world He was a great writer as well In his six hundred plus letters to Theo he chronicled with heartbreaking urgency his mental breakdowns acrimonious family relations and struggles with art dealers who largely ignored him until the last years of his life Shading this dark story is the artist s acquaintance with prostitutes and penury stormy scenes with his friend Paul Gauguin and dissipated Parisian nights with Henri de Toulouse Lautrec Julian Bell s passion for his subject brings the painter to life Bell writes with slashing intensity at once scholarly and defiantly partisan I have written this book out of my love for Vincent van Gogh the uniquely exciting painter and Vincent van Gogh the letter writer of heart piercing eloquence he declares For Bell Van Gogh was an artistic genius and more he was a wonder of the world

Van Gogh and Expressionism Patrick Bridgewater, 2007 This publication is the first to examine the enormous influence of Van Gogh on German and Austrian Expressionism It presents numerous masterpieces by Van Gogh and the Expressionists including extremely powerful works by the painters of Die Brucke Der Blaue Reiter and the Viennese avant garde
