Vancouver Island Map:

The Land of Heart's Delight Michael Layland, 2013 Just how and why did Vancouver Island get onto the map How was knowledge of our immediate geography acquired and recorded With 130 maps dating between 1593 and 1915 this cartographic history tells the story of how Vancouver Island and the surrounding area came to be mapped The book shows local cartographic milestones marking progress in our knowledge through the island s rich although comparatively short recorded history However the maps by themselves and without context cannot tell the whole story The accompanying text reveals the motives constraints agendas and intrigues that underpin their making Publisher s description **Davenport's Handimaps of Vancouver Island and Victoria** ,1948 Promotional brochure for tourists Contains maps of the business districts of Victoria and Nanaimo as well as maps of various parts of Vancouver Island Also includes advertising *Welcome to Our Island* Peter Hugh Page, 1935 [A List of Maps of America in the Library of Congress](#) Library of Congress.
