**Vanishing England** Peter Hampson Ditchfield,1910      VANISHING ENGLAND (Annotated) P. H.

DITCHFIELD,2021-08-06 This book is intended not to raise fears but to record facts We wish to describe with pen and pencil those features of England which are gradually disappearing and to preserve the memory of them It may be said that we have begun our quest too late that so much has already vanished that it is hardly worth while to record what is left Although much has gone there is still however much remaining that is good that reveals the artistic skill and taste of our forefathers and recalls the wonders of old time It will be our endeavour to tell of the old country houses that Time has spared the cottages that grace the village green the stern grey walls that still guard some few of our towns the old moot halls and public buildings We shall see the old time farmers and rustics gathering together at fair and market their games and sports and merry makings and whatever relics of old English life have been left for an artist and scribe of the twentieth century to record
