## **Vanishing Rooms:**

*Vanishing Rooms* Melvin Dixon,1991 Prior to Dixon s death from AIDS in 1992 when he was on the verge of breaking out as an acclaimed novelist his talent was compared to that of James Baldwin In *Vanishing Rooms* the author demonstrates his literary promise with a compelling love story of interracial sex and urban violence set in Manhattan s West Village in the 1970s

**Vanishing Rooms** Melvin Dixon,1992 Prior to Dixon s death from AIDS in 1992 when he was on the verge of breaking out as an acclaimed novelist his talent was compared to that of James Baldwin In *Vanishing Rooms* the author demonstrates his literary promise with a compelling love story of interracial sex and urban violence set in Manhattan s West Village in the 1970s

**Black/Gay** Simon Dickel,2012-06-01 This book explores key texts of the black gay culture of the 1980s and 90s Starting with an analysis of the political discourse in anthologies such as *In the Life* and *Brother to Brother* it identifies the references to the Harlem Renaissance and the Protest Era as common elements of black gay discourse This connection to African American cultural and political traditions legitimizes black gay identity and criticizes the construction of gay identity as white Readings of Isaac Julien s *Looking for Langston* Samuel R Delany s *Atlantis Model 1924* and *The Motion of Light in Water* Melvin Dixon s *Vanishing Rooms* Randall Kenan s *A Visitation of Spirits* and Steven Corbin s *No Easy Place to Be* demonstrate how these strategies of signifying are used in affirmative humorous and ironic ways

*Contemporary Gay American Poets and Playwrights* Emmanuel S. Nelson,2003-06-30 Gay presence is nothing new to American verse and theater Homoerotic themes are discernible in American poetry as early as the 19th century and identifiably gay characters appeared on the American stage more than 70 years ago But aside from a few notable exceptions gay artists of earlier generations felt compelled to avoid sexual candor in their writings Conversely most contemporary gay poets and playwrights are free from such constraints and have created a remarkable body of work This reference is a guide to their creative achievements Alphabetically arranged entries present 62 contemporary gay American poets and dramatists While the majority of included writers are younger artists who came of age in the post Stonewall U S some are older authors whose work has continued or persisted into recent decades A number of these writers are well known including Edward Albee Harvey Fierstein and Allen Ginsberg Others such as Alan Bowne Timothy Liu and Robert O Hara merit wider recognition Each entry is written by an expert contributor and includes a biography a discussion of major works and themes an overview of the author s critical reception and primary and secondary bibliographies

**Interior Design Visual Presentation** Maureen Mitton,2007-04-27 The new updated edition of the successful book on interior design *Interior Design Visual Presentation* Second Edition is fully revised to include the latest material on CAD digital portfolios resume preparation and Web page design It remains the only comprehensive guide to address the visual design and presentation needs of the interior designer with coverage of design graphics models and presentation techniques in one complete volume Approaches to the planning layout and design of interior spaces are presented through highly visual step by step instructions

supplemented with more than forty pages of full color illustrations exercises at the end of each chapter and dozens of new projects With the serious designer in mind it includes a diverse range of sample work from student designers as well as well known design firms such as Ellerbee and Beckett Architects and MS Architects **American Builder** ,1921 *Rooms for Vanishing* Stuart Nadler,2025-03-18 A prismatic mind bending epic about the splintering of a family into different worlds Everyone had been survived into different futures and I would never see any of them again I could sense this I would hear them in their separate rooms within their separate lives but I would not be able to cross over to meet them In *Rooms for Vanishing* the violence of war has fractured the universe for the Altermans a Jewish family from Vienna Moving across decades and across the world the novel finds the Altermans alone in their separate futures haunted by the loss of their loved ones each certain that they are the sole survivor of their family Sonja the daughter has gone in search of her husband who has disappeared into London Fania the mother is confronted with her doppelg nger in the basement of a Montreal hotel Moses the son is followed by the ghost of his best friend and finally Arnold the father dares to believe that his long lost daughter might be alive after he receives a message from an Englishwoman claiming to be her Spellbinding and profound *Rooms for Vanishing* is a singular work that explores how amid profound loss and the madness of grief ghosts are made momentarily real *Construction* ,1910 **Own Your Own Home** ,1929 *Doorways* ,1920 **House & Garden** ,1923 *Christopher Street* ,1992 **Drafting Room Practice** Eugene Clute,1928 **Building Age** ,1924 *Contemporary Gay American Novelists* Emmanuel S. Nelson,1993-01-26 Publication of this sourcebook on important gay American fiction writers grants legitimacy and recognition to this rapidly emerging area of literary studies Though wary of canon formation in this groundbreaking work editor Nelson has selected fifty seven writers whose works have received serious critical acclaim and or have won large audiences or in a few cases are worthy of greater attention Included are representative writers of detective fiction and science fiction but not authors of erotic fiction or pulp novels Also excluded are a few novelists whose expressed wishes for privacy were respected Writers and their works are examined in the gay literary context and a majority of the contributing essayists are themselves gay male scholars and writers who bring with them a level of personal and political sensitivity that is generally lacking in non gay assessments of this literature Each entry begins with biographical information proceeds to an interpretive summary of major works and themes provides an overview of critical reception accorded the author and concludes with bibliographies of primary and secondary materials In a lively and perceptive introductory essay Bredbeck inquires into what we mean by gay literature and the inherent tensions in these terms Conceding the impossibility of speaking conclusively of gay literature he nevertheless stresses the importance of the task and ends with a survey of critical studies of the gay male novel and works of gay male criticism *Wisconsin Journal of Education* ,1920 **Country Life in America** Liberty Hyde Bailey, Henry Hodgman Saylor,1910 **The Art of Modern Conjuring and Drawing Room Entertainment ...** ,1910 **Architect and Engineer of California** ,1910 *How to*
