Whats A Mouse

Hershey H. Friedman

Whats A Mouse:

A Mouse in a Cage Carrie Friese,2025-06-24 Questions the treatment of laboratory animals in biomedical research Laboratory animals are often used to develop medical treatments vaccines antibiotics and organ transplants have all relied upon animal testing to ensure safety and success for human benefit Yet the relationship between the scientific community's dependence on laboratory animals and the recognition of the need to treat these animals with respect and compassion has given rise to a profound tension As animals are increasingly understood to have rights and autonomy Carrie Friese posits that while care and compassion for a distant other who suffers are central to humanitarianism the idea of a distant other itself which has shaped work with laboratory animals both historically and today has enacted forms of highly problematic paternalism creating a double bind Focusing on the lives of laboratory mice and rats in the United Kingdom and on the people who take care of and often kill these animals Friese gives the name of more than human humanitarianism to contradictory practices of suffering and compassion killing and sacrifice and compassion and consent that she witnessed in a variety of animal facilities and laboratories Friese proposes a new approach to the treatment of laboratory animals that recognizes the interconnectedness of all species and how human actions impact the welfare of other species and the planet as a whole *A Mouse in a Cage* is an essential contribution to the ongoing conversation about the ethical treatment of animals

Handbook of Nature Study Anna Botsford Comstock,1939 Provides lessons on many topics of nature study with questions that may form the basis for student projects *Stories from a Mouse Hole* Ruth Omega Dyer,1918 [God Laughed](#) Hershey H. Friedman,2017-09-08 Humor has had a profound effect on the way the Jewish people see the world and has sustained them through millennia of hardships and suffering *God Laughed* reviews organizes and categorizes the humor of the ancient Jewish texts the Hebrew Bible the Talmud and Midrash in a clear readable and accessible manner These works have influenced the Jewish people in many ways and all are replete with humor and wit Inevitably this oeuvre of Jewish humor has itself influenced generations of comics as well as genres of humor The authors use examples of Biblical humor from several broad categories including irony sarcasm wordplay humorous names humorous imagery and humorous situations Because their primary purpose is not to entertain but to teach humanity how to live the ideal life much of the humor in the Talmud and the Midrash has a single purpose to demonstrate that evil is wrong and even at times ludicrous This may help explain why approximately 1 500 years after its closing the Talmud is still such a fascinating work
