Wheel Poems:

The Great Wheel Paul L. Mariani, 1996 An anthology of thirty five poems shares the trope of the great wheel focusing on the wheel of fortune a ferris wheel Dante s paradisal wheel and the wheel of the great tradition in relation to life experiences

The Wheel Jordan Jones, 2005 Poetry THE WHEEL is a survey of the turning circles and cycles of religion history politics myth nature and culture from Stonehenge to the war in Iraq from tree rings to the circular edge of the urban separating the wild from the sanitized suburban world that remains firmly in the natural world no matter what humans think The poems are provocative political humane and funny This is one sweet book Jordan Jones writes with such a pure voice offering up all the matters of life that he cares deeply about and the universe requires that we all care about Very lovely refreshing true poems it s a book to believe in Sandra McPherson

We Invented the Wheel Reesom Haile, 2002 Charles Cantalupo works directly with Reesom Haile to offer versions of Haile s work which attempts to join two languages and two traditions in a common effort of poetry that is modern yet classical epigrammatic and enduring

The Difficult Wheel Betty Adcock, 1995 In The Difficult Wheel Betty Adcock writes about time about losing the past yet never being able to lose it Hers are poems about vanishings about grief and about folly our absurd attempt to cancel time and space to abstract ourselves out of history and out of nature and to distract ourselves from death s specter Adcock s verses fuse formal pattern with the chaos of rapid change music with grief the world s presences deer bird fox all that shakes the shuddering loom with the absences that time has dreamed and language must confront Out of her personal losses Adcock imagines the larger ones we are facing at the end of the twentieth century But there are celebrations here too a simple field of wild flowers on an Aegean island becomes music memory a pearl of great price

Invention of the Wheel / Poems Daniel Abdal-Hayy Moore, 2010 These poems consider sometimes wildly the inventions that are our lives and their Inventor the Divine Fashioner of ourselves and our actions with passionate imagination surreal humor and abiding focus and love for that Fashioner in all His manifestations

Rumors of the Turning Wheel Anne Halley, 2003 The title of this powerful collection refers to the wheel of fortune In a time long before television game shows a wood and wire crank driven mechanism would be set up and turned by hand at fairs and carnivals next to the puppet show booth the pot and pan vendors and the horse drawn carousel Country folk and children watched to see where the turning wheel would stop and if their folded paper chance might reveal the lucky number that won a prize The wheel turns more noisily portentously and can take on disguised or secret forms when Fortuna concerns herself with the fate of rulers and nations Rumors of all kinds will be heard as the wheel s turnings stir the air Rumors of war of course strange births rape the collapse of powerful houses and incestuous loves always the rumor of impending death sometimes a rumor of survivals and often one of hope for the children These rumors were gathered on the sidelines and in the market squares during the last the catastrophic twentieth century and they form the starting point for this memorable collection

Bermuda Ferris Wheel Bryce Berkowitz, 2022-10-06 Berkowitz s artful poems are stunningly moving Although

there are moments of humor and complexity of tone the book is not irony stuffed but decidedly romantic reminding us of Joe Bolton s work Berkowitz s awareness of nature throughout Bermuda Ferris Wheel comes from a super focused attention to detail and texture indicating a self consciousness married to an awareness of everything that is other The author risks sentimentality in some of the family poems but is saved by the boldness of his emotional engagement with real people and real places Any self absorption that might overwhelm the poems is tempered by the artfulness of the descriptive writing the poet s strong sense of place the various manifold localities that serve as the poet s own flawed Eden redemptive and indicative of failure in equal parts It s a kind of higher power this presence that gives life to cities and landscapes and wraps the autobiographical elements of these poems in the glow of significance Maggie Anderson has written that the poems in Berkowitz s collection are shrewd fast paced and philosophically wise Bermuda Ferris Wheel is a book of journeying filled with sudden and rhythmic moments of moving around Berkowitz documents the places the streets the restaurants the trees with a passionate looking and the voice of these poems is that of a Hermes figure an agile messenger restless and seeking Beneath this story lies the spirit of addiction passed down from parent to child Honey you re just like me the mother says as the poet begins to take his place in that sad company Still there is an insistent joy here as the Ferris wheel of the title turns and turns in some sunny Bermuda of the heart Bryce Berkowitz has created a wild unforgettable ride a stunning debut

The Color Wheel Timothy Steele,1994-10 Through his widely praised collections of poems Thimphy Steele has earned the reputation as one of the most highly regarded poets born since World War II who continue to work in meter Now Steele bring together thirty five new poems that extend the scope and deepen the spirit of his previous work While always faithful to the richness and complexity of experience the poems in The Color Wheel are clear and accessible They blend imagistic detail and reflection and bring to contemporary subjects what Steele calls the preservative virtues of formal care **Traveling on the Great Wheel** Roger Weaver,1990-01-01 **Wonder Wheel** Chelsea Whitton,2026-03-16 Chelsea Whitton s debut poetry collection Wonder Wheel dexterously whirls in sonic circles ruminating on themes of spiritual bestowal and terrestrial bequest millennial identity adult friendship feminine desire and the mythmaking at stake in family history Disoriented speakers who nevertheless believe they know where they are going and what they are doing provide an occasion for lyric expansiveness and periodic bathos including elegies for June Carter Cash Patsy Cline the author s father an ex cat and others At the heart of the collection is a rhyming sonnet crown that offers a wicked inversion of the book s larger vision by constructing an apocalyptic mythology of matrilineal inheritance reliant on resistance destruction and martyrdom as much as on cycles of creation and healing [The Steering Wheel Poems](#) [the Steering Wheel Poems](#) Elizabeth Doyle Solomon,2010-11 Elizabeth Doyle Solomon s poems are love letters with a passion for nature and family Her clear voice reaches deep into the music and rhythms of the natural world as it sings of such things as a hawk s tail writing on autumn skies and galloping spring flooded streams It bristles with a lover s protest at earth scraped raw in the name of progress The heart of this

collection is rich with family memories Mama's fragile strength Daddy's playful Irish brogue Grandma who faced sorrow by giving grief to the prairie winds Their courage and wisdom speak to us still in the poignancy and joy of Elizabeth's poems

SUNDAY ABBOT Award Winning Poet *Behind the Wheel* Janet S. Wong, 1999 Thirty six poems look at various aspects of driving including passing the written driver's test being pulled over by a cop and having an accident and treat them as metaphors for life
