When Nothing Makes Sense:

NOTHING Thato Motchello,2015-10-07 NOTHING Is about you It helps you to find out who you are by making you realize that you are Nothing and that you can achieve all possible through Nothing With Nothing you can be everything that you can ever imagine yourself to be **Sarah** Dale Stubbart,2022-03-18 On an alien planet a Terran is trying to sleep off his drunk But there s too much shouting going on He might have been able to ignore it if a Terran word hadn t been repeated time and again Sarah As far as this gambler knew he was the only one from off world on this Planet Sure they were capable of space travel but none of them ever left And nobody except him ever came here Well he d better go see what all of this racket was about He d regret it in the end He d end up being being her lowly assistant *Home Made Poetry* Dwight Hall,2022-01-04 Over the years I ve enjoyed writing poetry The poems in this collection are from experiences I ve had in my life Some happy others not so A lot of the poems deal with everyday situations in general There are poems about railroads good times heartaches and Christmas And others that will capture your attention you will about to read over and over Enjoy Nothing Lasts Forever Dr Anniekie Ravhudzulo,2010-11-18 When night comes look at the sky If you see a falling star dont wonder why just make a wish Trust me it will come true because I did and found Jesus Christ Sometimes we think that things will never change in life I dont know anyone who has not yet experienced pressure of one kind or another in life It may raise its head swiftly and unexpectedly Or we may see and feel it coming slowly but surely like a slight crack in the wall of a building going up or down You might arrive late for some event and miss something special This is a minor pressure and it usually does not last long its an everyday occurrence that does not really matter very much There are many such pressures On the other hand the pressure of realising that the dream you had has failed to come true may overcome you You may feel depressed because of the loss of your spouse the chaos in the workplace the loss of friends or the insincerity of those you considered friends a lack of understanding on the part of your family heartache that never seems to end or feeling that God does not hear your prayer There are more types of pressure than there is grass growing on the plains of the Highveld Do not give up when you still have something to give I know that through Christ I am strong enough to make all my dreams come true I know love therefore I give love I recognise that my love has great value and must be reciprocated If my unconditional love is taken for granted it doesnt disappear I am quite capable of articulating my needs I know that with God the world is my playground but without God I will just be played with I understand that my life experiences are merely lessons meant to bring me closer to self knowledge and unconditional self love I know that I will at times have to inspire others to reach the potential God gave them I know my past understand my present and face my future I am not afraid of tomorrow for I have seen yesterday and I love today Jim Rohn says that happiness is not something you postpone for the future it is something you design for the present **Riding the Wave of the Sting of Infidelity in a Marriage** Dr Anniekie Ravhudzulo,2012-01-23 Marriage is under tremendous assault as never before Will marriage survive Can it survive Infi delity

is exploding but why In most cultures infidelity has become a major part of entertainment We all see it in popular television programs and movies Infidelity to some is enjoyment and pleasure Some men think if they are not slipping and cheating they are not being real men Some individuals grew up in environments where cheating is a way of life Some women think life is boring without the excitement of an outside affair In spite of the reasons God to His creation says No to infidelity Become the good husband or wife you would like your spouse to be Life has taught me that men and women get involved in an extramarital affair for many different reasons Sometimes when you are unsatisfied with your relationship you start to think What is available out there In a way it is an escape people feel like they want to be out from the burden in their marriages Grass is greener on the other side and so it seems I have seen many starting to flirt with others innocently at first They start to THINK of what if situations such as what if I'm married to this friend of mine Many people forget that slowly they bring themselves into an extramarital affair and become trapped to another crisis Let me remind you that trust is like a balloon One pricks it is gone The fear of broken promises cheating or betrayal can reduce the quality of your marriage Marriage is a challenging an enterprise that requires hard work determination and discipline Creating a strong and satisfying marriage is possible and it is definitely worth the effort Recovery after infidelity is not an easy path but if others could pull through so can you

Nothing But Grass Will Cohu,2015-06-11 In the summer of 1875 two travellers walk south across the Lincolnshire Wolds to a village riven with dark secrets When Norman Tanner kills his workmate on a cold February morning a century later he thinks he's got away with murder But Norman doesn't know about the workmate's girlfriend or the child that will come back to haunt him and how he is caught up in a story that stretches back to that Victorian summer For some in the village of Southby and its nearby grand estate man is master of his fate and the world is full of meaning for others there is nothing but grass

The Essence of History Aaron Turner,2025-09-25 This book brings together historical thinkers from diverse disciplinary backgrounds to offer original interpretations of the essence of history It

addresses why the essence of history itself cannot be so easily thematised or conceptualised Restating the question of the essence of history is necessary as it has been largely forgotten today Since antiquity history has been inextricably bound up with the problem of truth Contemporary philosophy of history and historiography have branched out in many different directions This complexity has made it nearly impossible for historical thinkers to engage outside of their own field The relentless advancement of historical thought has almost completely neglected the question of the essence of history The chapters in this volume respond to questions such as What is history What in the progress of historical thought from antiquity to modernity did we lose along the way And what does it mean if it means anything at all to have history to be historical The Essence of History will be of interest to scholars and graduate students working in philosophy of history historical theory and historiography and ancient history
