Daddy Takes Us Camping Howard Roger Garis,1914 **Camping (eBook)** Dana McMillan,2000-03-01 Kids love going camping exploring and enjoying the natural world Here is everything you need to set up and implement an indoor learning center on this popular theme **Men in the Lives of Young Children** Deborah Jones,Roy Evans,2013-09-13 This book presents an international perspective on the involvement of men in the lives of young children across a range of differing contexts and from a number of disciplinary perspectives It takes as a starting point the importance of positive male engagement with young children so as to ensure their optimal development Past research has revealed however the complexity of studying these relationships and the barriers that exist in families society which impede the implementation of positive relationships This book is developed to use new research and educational thinking in order to explore the lived experiences of both fathers and men in edu care and in addition to considers what it is to be a man in the 21st century As such this work is pertinent timely and responsive to issues of concern to all those professionals policy makers and practitioners within education and family services and also to the public in general The central purpose of the book is to contribute to the debate around key issues connected to the ways in which men can develop secure professional and familial attachments to young children for whom they have a responsibility This book was published as a special issue of *Early Child Development and Care* *Soldier's Heart* William Schroder,Ronald Dawe,2007-07-30 Living in the shadowy interior of the brain's limbic system and invisible to the untrained eye Post Traumatic Stress Disorder can not only torture its victims for a lifetime but reaches beyond victims to negatively influence family members and loved ones *Soldier's Heart* titled after one of the early names for PTSD delves into the lives of otherwise normal American veterans who seemingly for no reason display lasting patterns of bad choices and erratic self destructive behavior Analysis of the life portraits of combat veterans brings the myriad symptoms of PTSD to light equipping the lay reader to recognize the disorder and gain a thorough understanding that can be the foundation for steps to facilitate healing Four men and one woman who served in Vietnam describe how PTSD still tears at their lives 30 years later The symptoms of PTSD are conveyed in non technical language by the veterans featured in this absorbing work presented by authors Schroder and Dawe both Vietnam veterans and respectively now a writer businessman and a mental health counselor To fully explore the lifelong effects of war trauma in the 20th century the focus must be on Vietnam veterans explain Schroder and Dawe Profound statements on the human condition the narratives of the five featured veterans from across branches of the military offer emotional and intellectual comfort to millions of Americans whose relatives and friends have served the country in time of war This book which also includes a glossary of military terms will be of interest to veterans and their families as well as to counselors therapists psychologists veteran care workers and students of studies in trauma psychopathology and treatment These are more than war stories because for these

veterans the lingering war is internal and it may never end The McCarron's Daughter: Fancy's Story Sharon K. Middleton,2019-02-28 If it weren't for bad luck she'd have no luck at all lament the family of Fancy Selk who has been the victim of horrific abuse Fancy decides it is high time she learns to make lemonade from lemons instead of always making lemons from lemonade As she learns to survive her past abuse young Dr Richard Rick Winslow manages to go back in time to find the beautiful young woman Rick learns Fancy is married to another man When her husband is killed at Yorktown she finally admits her attraction for the handsome physician as they fall in love only to be ripped apart not once but twice

Triumph of an American Black Man Alfred Douglas Turnipseed,2008-10 Alfred Turnipseed was a very small boy with bright eyes a quick smile dark complexion close cropped hair with an engaging personality Although he was outgoing there was a timid quality about him He dressed differently from other boys With a quick eye for fashion Alfred wore black and white or brown and white shoes while other boys wore solid colors Sometimes he wore overalls but pants with suspenders and a belt was his normal dress His mother made sure his clothes were always clean and pressed He took pride in his overall appearance In school kids lined up by height for many events Alfred always led the line He was not only the smallest boy but the smallest person in his class And he didn't feel too good about this When Alfred went to school his mother insisted that the barber cut off all his hair He hated this because the older boys would constantly tap his head But his mother wouldn't change her mind so his head was always bald looking Everyone agreed that Alfred was a nice little boy He was innocent of all vices well most of them anyway But he was a tough minded little boy who kept plugging away and never quit on himself

Elizabeth Chris Taylor,2009-01-15 Rapture of the Sleep Kevin Cunningham,2023-12-28 Killian Flaherty is a man who seemingly has it all a beautiful wife Lindsay a great career and wonderful children From the moment he laid eyes on Lindsay Killian knew that she was the one for him Her breathtaking beauty her hypnotizing deep chestnut brown eyes and golden hair cascading down her shoulders were matched only by their shared passions and interests For twenty years Killian and Lindsay's love for each other only grew stronger Their passion for each other was intense however Killian began to sense that his life was in danger He discovers that his life with Lindsay was just a figment of his subconscious due to being in a coma while in reality he was married to an equally wonderful woman named Jennifer Killian discovers that his sense of danger was Jennifer discussing taking him off life support so that she could move on with her life To save his life Killian battles with giving up his magical life with Lindsay and returning to his life with Jennifer In this story the reader is taken on a journey through Killian's thoughts as he navigates the complexities of love and reality As the story progresses this conflict becomes stronger Killian struggles to reconcile his love for both women and must navigate the complexities of his dual reality The story ends on a hopeful note as Killian finds peace through his ability to manage his life across multiple timelines and is an exploration of how the power of our consciousness goes beyond our earthly bindings and how it can manifest a person's perception of love happiness and reality **Queer Brown Voices** Uriel Quesada,Letitia Gomez,Salvador

Vidal-Ortiz,2015-09-01 In the last three decades of the twentieth century LGBT Latinas/os faced several forms of discrimination. The greater Latino community did not often accept sexual minorities and the mainstream LGBT movement expected everyone regardless of their ethnic and racial background to adhere to a specific set of priorities so as to accommodate a unified agenda. To disrupt the cycle of sexism, racism, and homophobia that they experienced, LGBT Latinas/os organized themselves on local, state, and national levels, forming communities in which they could fight for equal rights while simultaneously staying true to both their ethnic and sexual identities. Yet histories of LGBT activism in the 1970s, 1980s, and 1990s often reduce the role that Latinas/os played, resulting in misinformation or ignore their work entirely, erasing them from history. *Queer Brown Voices* is the first book published to counter this trend, documenting the efforts of some of these LGBT Latina/o activists. Comprising essays and oral history interviews that present the experiences of fourteen activists across the United States and in Puerto Rico, the book offers a new perspective on the history of LGBT mobilization and activism. The activists discuss subjects that shed light not only on the organizations they helped to create and operate but also on their broad-ranging experiences of being racialized and discriminated against, fighting for access to health care during the HIV/AIDS epidemic, and struggling for awareness.

On My Own Two Feet Amy Purdy,2024-03-19 The champion snowboarder and Dancing with the Stars contestant chronicles her battle with and recovery from bacterial meningitis, which cost her her legs. New York Times Bestseller. Her riveting memoir *On My Own Two Feet* is shot through with honesty, compassion, a sunny steeliness, and above all, a sense of humor. O The Oprah Magazine America fell in love with Amy Purdy as the incredible girl with bionic legs who managed to outdance her competitors all the way to the season eighteen finale of *Dancing with the Stars* with her partner Derek Hough. Now, for the first time, Amy reveals the powerful, moving story of her spiritual awakening as a result of a sudden, often fatal blood infection that caused her to lose both of her legs. When she was just nineteen, she contracted deadly bacterial meningitis and was given less than a two percent chance of survival. In a near-death experience that Amy has never talked about until now, she saw three beings who told her, "You can come with us, or you can stay. No matter what happens in your life, it's all going to make sense in the end." Amy seized her second chance at life and earned a bronze medal in adaptive snowboarding at the 2014 Paralympic Games. *On My Own Two Feet* reminds us to live life to the fullest because we are all much more capable than we could ever imagine. Amy Purdy is far more than an Olympic champion. She is a pioneer and a beacon of strength. Her honest and sharply written memoir leaves me feeling as uplifted as I do when I spend time in her presence. Elizabeth Gilbert, author of *Eat, Pray, Love*. Amy's memoir is a gift worth reading, rereading, and sharing with many others. Derek Hough, author of *Taking the Lead*. In *On My Own Two Feet*, Amy not only demonstrates resilience in the face of calamity, she also shares a set of spiritual principles.
