Doc Holliday Gary L. Roberts, 2011-05-12 Acclaim for Doc Holliday Splendid not only the most readable yet definitive study of Holliday yet published it is one of the best biographies of nineteenth century Western good bad men to appear in the last twenty years It was so vivid and gripping that I read it twice Howard R Lamar Sterling Professor Emeritus of History Yale University and author of *The New Encyclopedia of the American West* The history of the American West is full of figures who have lived on as romanticized legends They deserve serious study simply because they have continued to grip the public imagination Such was Doc Holliday and Gary Roberts has produced a model for looking at both the life and the legend of these frontier immortals Robert M Utley author of *The Lance and the Shield The Life and Times of Sitting Bull* Doc Holliday emerges from the shadows for the first time in this important work of Western biography Gary L Roberts has put flesh and soul to the man who has long been one of the most mysterious figures of frontier history This is both an important work and a wonderful read Casey Tefertiller author of *Wyatt Earp The Life Behind the Legend* Gary Roberts is one of a foremost class of writers who has created a real literature and authentic history of the so called Western His exhaustively researched and beautifully written *Doc Holliday The Life and Legend* reveals a pathetically ill and tortured figure but one of such intense loyalty to Wyatt Earp that it brought him limping to the O K Corral and into the glare of history Jack Burrows author of *John Ringo The Gunfighter Who Never Was* Gary L Roberts manifested an interest in Doc Holliday at a very early age and he has devoted these past thirty odd years to serious and detailed research in the development and writing of *Doc Holliday The Life and Legend* The world knows Holliday as Doc Holliday Family members knew him as John Somewhere in between the two lies the real John Henry Holliday Roberts reflects this concept in his writing This book should be of interest to Holliday devotees as well as newly found readers Susan McKey Thomas cousin of Doc Holliday and coauthor of *In Search of the Hollidays* *Doc Holliday in Film and Literature* Shirley Ayn Linder, 2014-01-23 The legend of Doc Holliday is now well past a century old While his time on earth was brief troubled and filled with pain his legend took wings and flew Beginning with his part in the now famous gunfight at the O K Corral Denver newspapers first told his story in the late 19th century They followed by words of Wyatt Earp grasped the glimmer of his tale So enamored was the public that by 1939 he was a literary icon and his character had appeared in eight films Historians authors screenwriters and eventually television refined the legend which reached its apex perhaps with the 1993 film *Tombstone* Doc Holliday s image has neither dimmed nor wavered in the 21st century Broadway country music and art join with literature and film to continue his mystique as the personification of a surviving legend of the U S West *The World of Doc Holliday* Victoria Wilcox, 2020-12-18 His name conjures images of the Wild West of gunfights and gambling halls and a legendary friendship with the lawman Wyatt Earp and he is probably most famous for his time in *Tombstone* But Doc Holliday s story is a much richer than that one sentence
