Why Doesn't God Heal Me? Burton W. Seavey, 1978      Why Doesn't God Just Heal Me Kathie Palazzolo, 2020-10-02 We all get sick sometimes but extended illnesses and incurable conditions affect not only our bodies but our mental emotional and spiritual health Having endured an undiagnosed illness for thirty years the author prayed daily for healing and diligently searched the Bible to answer the questions we all ask when faith does not seem to be enough With a comprehensive and balanced application of scripture the author addresses the topic of healing and answers the questions that test our faith Is there some formula or prayer I need to pray to be healed Is there a lesson I need to learn before I can be healed Are only certain people qualified to pray for miracles and healing Why is one person miraculously healed while someone just as deserving is not The prayer of faith can heal the sick I have faith so why am I still sick Is this God's predetermined will for me Is it sin in my life that keeps me from being healed Does God ever change his mind Did I fail God or did God fail me With compassion and insight this author offers hope encouragement and a way forward for those who want to know Why doesn't God just heal me Kathie Palazzolo is ordained with EPIC Ministries She is a frequent seminar conference and retreat speaker Kathie and her husband Tom serve as National Evangelists with the Christian Motorcyclists Association They have three children and five grandchildren Although ministry has taken her around the world she happily resides in a small rural community in northern Utah

**Why Doesn't God Heal Me?** Robert Scott, 2005-03 At last The answer to the question that has haunted millions God wants to heal you and bless you in every possible way even in your pocketbook In this book He shows you how In these terrifying last days great epidemics are about to stalk the earth But you and your precious loved ones need have no fear You hold in your hands liberating truths and vital keys to healing that won't cost you a fortune in health care and drugs

Why Doesn't God Answer My Prayers? Erwin W Lutzer, 2026-02-03 When God seems silent bring your disappointment anger questions and broken heart Life can be disappointing bitterly disappointing Especially if you've been asking or begging for God's help and your prayers go unanswered Maybe you were taught that God loves you only to discover that when you really need Him He's not there Dr Lutzer helps us see God's love and guidance even when He seems silent This biblical guide thoughtfully considers When the person you love isn't healed When the worst happens When evil feels like it's winning When promises are unfulfilled and more As Lutzer delves into Scripture and reveals God's hidden purposes readers hearts move from despair or despondence to hope and trust Whatever your current position is to prayer clenched fists tear stained face heartache or back turned the truth of this book will transform you

**When God Doesn't Heal** Larry Silverman, 2017-10-04 You have prayed for healing and it hasn't happened yet Now what Do you need more faith Is God not happy with your life Or perhaps it's something else altogether Larry lived by and taught a mixed message of law and grace One of the greatest lies he taught was the more we please God the more He will be pleased with us and answer our prayers Many in the body of Christ today have made healing a type of law They believe the reason God hasn't healed them is because

they don't have enough faith to be healed While many books suggest ways to be healed and stay healed this book addresses what happens when God doesn't heal Let's face it sickness and disease are bad enough but to add such issues as feeling God is displeased with us and He is punishing us because of our lack of faith makes matters that much worse In *When God Doesn't Heal* author Larry Silverman blends his understanding of grace into the practical reality of living with sickness and disease especially detailing his battle and victory over cancer *When God Doesn't Heal Now* Larry Keefauver, 1999-12-16 God has healed in the past and wants to heal now But though they pray in faith go to healing meetings and strive to have enough faith many are not healed as they would wish to be *When God Doesn't Heal Now* examines the myths about healing that are built on partial truths and looks at the profound relationship between prayer healing and the sovereignty of God This guide offers a balanced look at teachings on healing faith healers and ways to bring biblical clarity to beliefs that often foster guilt defeat and despair when believers are not immediately healed *When God Doesn't Heal Now* is an encouraging book which affirms the biblical truth that God is our healer **God Can't** Thomas Jay Oord, 2019-01-05 Hurting people ask heart-felt questions about God and suffering Some answers they receive appeal to mystery God's ways are not our ways Some answers say God allows evil for a greater purpose Some say evil is God's punishment The usual answers fail They don't support the truth that God loves everyone all the time *God Can't* gives a believable answer to why a good and powerful God doesn't prevent evil Author Thomas Jay Oord says God's love is inherently uncontrollable God loves everyone and everything so God can't control anyone or anything This means God cannot prevent evil singlehandedly God can't stop evildoers whether human animal organism or inanimate objects and forces In *God Can't* Oord gives a plausible reason why some are healed but many others are not God always works to heal everyone but sometimes our bodies organisms or other creatures do not cooperate with God's healing work Or the conditions of creation are not right for the healing God wants to do Some people think God causes or allows suffering to teach us lessons or build our character *God Can't* disagrees Oord says God squeezes good from the evil God didn't want in the first place God uses pain and suffering without willing or even allowing it Most people think God can overcome evil singlehandedly In *God Can't* Oord says God needs cooperation for love to reign now and later This leads to a better view of the afterlife called relentless love It rejects traditional ideas of heaven hell and annihilation Relentless love holds to the possibility all creatures and all creation will respond to God's love *God Can't* is written in understandable language As a world-renowned theologian Thomas Jay Oord brings credibility to the book's radical ideas He explains these ideas through true stories illustrations and scripture *God Can't* is for those who want answers to tragedy abuse and other evils that make sense What They're Saying If conventional notions of God make less and less sense to you you'll find Thomas Jay Oord's new book a breath of fresh air Simply put *God Can't* presents an understanding of God that thoughtful ethical people can believe in Brian D McLaren author of *The Great Spiritual Migration* I did not want this book to end I wish Dr Oord had written it 100 years ago or 1000 years ago To find your understanding of life and your love for God renewed read this
