Why We Left A Cult:

Why We Left a Cult Latayne Colvett Scott, 1993-01-01 **The Mormon Missionaries** Janis Hutchinson, 1995 A presentation of the various techniques and strategies used by Mormon missionaries Based on the author's firsthand experience in Mormonism **Bearing False Witness?** Douglas E. Cowan, 2003-05-30 From Hare Krishna to the Latter Day Saints and from Jehovah's Witnesses to the New Age religious pluralism in North America presents evangelical Protestantism with significant challenges Declaring newer religious groups cults aberrant sects and heretical religions the Christian countercult movement has warned that these groups represent a threat to society In *Bearing False Witness* R Cowan considers the Christian countercult as a whole locating it in sociological perspective as an entity distinct from the secular anti cult Through his analysis the author argues that the primary purpose of the countercult movement is to reinforce and repair the Christian worldview when it appears threatened by the advent of alternative religious traditions This unique analysis of the Christian countercult helps explain why conservative Christian responses to competing religious movements have taken the form that they have in addition to how those responses are carried out Unlike the anti cult movement which is concerned with removing individuals from cults and returning them to their families the Christian countercult movement according to the author attempts not only to remove cultists from the negative influences of the cults to which they belong but also to insure that they will join the particular version of Christianity adhered to by the countercultists themselves Beginning with the countercult's early history the author provides an historical account of the movement and its present activities Since the rise of new religious movements the growing interest in religions imported from outside North America and the broadening of the religious marketplace continues to grow understanding the Christian countercult and its presence as a countervailing pressure to these increasingly socioreligious dynamics becomes ever more important **Overland Monthly**, 1884 **The Sach Khand Journal of Radhasoami Studies** David Lane, 2015-12-12 This unique journal covers the history of the Radhasoami movement as founded by Shiv Dayal Singh in the mid 19th century with unique articles on the various offshoots that have branched off from its inception Includes essays on Eckankar MSIA MasterPath and other American based gurus Also includes special issues on the death of Julian P Johnson and Soamiji's forgotten guru Sach Khand, 9, **Do As I Say** Sarah Steel, 2022-06-28 At the heart of being human is the desire to belong It can make us unspeakably vulnerable to the manipulations of others Cult leaders prey on this desire but so do many unscrupulous operators hiding in plain sight Sarah Steel the creator of the popular Let's Talk About Sects podcast has researched the cults you've heard of and dozens you haven't What strikes her most are not the differences between bizarre cult behaviour and normal behaviour but the depressing similarities Her work reveals that we are all susceptible to the power of cult dynamics In *Do As I Say* Sarah Steel tells the human tale behind the sensationalism Sharing deeply personal stories gathered over years of interviews with survivors and some shocking tales about the world's most famous cults she sheds light on the high

cost of unchecked coercive behaviours to individuals and communities at large Praise for Do As I Say Sarah uses the stories of survivors to tease out the common threads of coercive control shared by cults and found in other parts of society The result is a much needed spotlight on the behaviours and personalities we are likely to encounter even if we never go anywhere near a cult David Gillespie bestselling author and lawyer In times of uncertainty when you long for simple answers and have a deep desire for community you can find yourself incrementally handing over your agency to a charismatic but authoritarian and manipulative leader or group think In this book Sarah Steel has brilliantly charted how this happens in all sorts of ways and for all sorts of people it provides an invaluable map to navigate this dangerous terrain Reverend Tim Costello AO This book is a most comprehensive and studied look at cults the leaders and perhaps most importantly the survivors Sarah Steel has given the world a real gem one that will not only educate but also help to destigmatize those who have been harmed by cults and con artists Bravo Dr Janja Lalich cult expert academic and former cult member Collier's ,1919 Collier's Once a Week ,1919 *The Hippies* John Anthony Moretta,2017-01-26 Among the most significant subcultures in modern U S history the hippies had a far reaching impact Their influence essentially defined the 1960s hippie antifashion divergent music dropout politics and make love not war philosophy extended to virtually every corner of the world and remains influential The political and cultural institutions that the hippies challenged or abandoned mainly prevailed Yet the nonviolent egalitarian hippie principles led an era of civic protest that brought an end to the Vietnam War Their enduring impact was the creation of a 1960s frame of reference among millions of baby boomers whose attitudes and aspirations continue to reflect the hip ethos of their youth *Collier's* ,1938 **Debates in the House of Assembly** Cape of Good Hope (Colony). Parliament. House of Assembly,1903 **The Atlantic Monthly** ,1917 *Official Proceedings of the New York Railroad Club* ,1926 Littell's Living Age ,1891 **Official Reports of the Debates of the House of Commons of the Dominion of Canada** Canada. Kramer,Linda Kramer,2000 A child dies as its parents declare that nothing is wrong An adult suffers silently with a treatable disease Church members emotionally neglect each other in times of illness convinced that talking about a problem will make it difficult to heal Welcome to the hidden world of Christian science Few people realise that Christian scientists are trapped by a way of thinking which twists their perception of reality teaches them to mistrust their senses and short circuits their ability to make informed reasoned decisions regarding health care In short few people realise that Christian Scientists are under mind control **Sunset** ,1920
