Borne, 2025-02-13 Eden has always known her place in the grand bathhouse of Ukiyo a sanctuary for spirits and gods alike As a lowly human staff member the rules are clear no looking no speaking no touching especially when it comes to the gods Crossing their paths is unthinkable But when two devastatingly handsome dragon princes arrive for a soulmate matchmaking event Eden s world is thrown into chaos The twin princes are every bit as dangerous as they are beautiful wicked to their core and utterly merciless They seem to take pleasure in tormenting her testing her limits at every turn Eden knows she should bow to their status and keep her head down but she can t resist pushing back Her fiery defiance becomes her greatest weapon and soon she s not just enduring their games she s playing along What starts as a seductive rebellion turns into something far more dangerous Eden never planned to fall for the arrogant sinful brothers And for the twins Eden was supposed to be just another plaything in their immortal lives But the fire they spark in her and the craving she awakens in them cannot be ignored When they discover she s their soulmate all bets are off Forbidden passion and centuries old traditions collide threatening to consume them all Because in a bathhouse filled with secrets and gods love is the most dangerous gamble of all *What Do I Read Next?* , 1994
