The Rainbird Pattern:

The Rainbird Pattern Victor Canning, 1980-10-01 The Rainbird Pattern V. Canning, 1996 *Hitchcock at the Source* R. Barton Palmer, David Boyd, 2011-09-01 The adaptation of literary works to the screen has been the subject of increasing and increasingly sophisticated critical and scholarly attention in recent years but most studies of the subject have continued to privilege literature over film by taking the literary sources as their starting point Rather than examining the processes by which a particular author has been adapted into a diversity of films by different filmmakers the contributors in *Hitchcock at the Source* consider the processes by which a varied range of literary sources have been transformed by one filmmaker into an impressive body of work Throughout his career Alfred Hitchcock transformed a variety of literary sources novels plays short stories into what is arguably the most coherent and distinctive narratively stylistically and thematically of all directorial oeuvres After an introduction surveying the nature and diversity of Hitchcock s sources and locating the current volume in the context of theoretical work on adaptation nineteen original essays range across the entirety of Hitchcock s career from the silent period through to the 1970s In addition to addressing the process of adaptation in particular films in terms of plot and character the contributors also consider less obvious matters of tone technique and ideology Hitchcock s manipulation of the conventions of literary and dramatic genres such as spy fiction and romantic comedy and more general problems such as Hitchcock s shift from plays to novels as his major sources in the course of the 1930s **The Complete Films of Alfred Hitchcock** Robert A. Harris, Michael S. Lasky, 2002 A tribute to the undisputed master of terror and suspense and the visionary who revolutionised the art of filmmaking this book covers everything from his 1922 silent film *The Pleasure Garden* to his final 1976 film *Family Plot* including such masterpieces as *Vertigo* *Psycho* *Rear Window* and *The Birds* and the years of his popular television show *Alfred Hitchcock Presents* Complete with 450 b w stills from his many films and a text that examines the background of each production this is the ultimate portrait of the movie genius in all his cinematic glory

Authorship in Film Adaptation Jack Boozer, 2008-07-15 Opening a new area in the study of film adaptation 12 scholars investigate the crucial role of the screenplay in transforming written narratives into film Alfred Hitchcock All the Films Bernard Benoliel, Gilles Esposito, Murielle Joudet, Jean-François Rauger, 2024-10-29 Organized chronologically and covering every short film television episode and classic film that the Master of Suspense directed over the course of his illustrious 60 year career *Alfred Hitchcock All the Films* draws upon years of research to tell the behind the scenes stories of how each project was conceived cast and produced down to the creation of the costumes the search for perfect locations and of course the direction of some of cinema s most memorable scenes Spanning more than six decades and including stories of work with longtime collaborators like costume designer Edith Head title designer Saul Bass and composer Bernard Herrmann this book details the creative processes that resulted in numerous classic films like *Vertigo* *The Birds* *Psycho* *Rear Window* *North By Northwest* and *To Catch a Thief* to name a few The director s classic TV series are also covered extensively along with original
