

SPIRITUAL PRINCIPLES

TO FIND MEANING IN OUR DAILY EXISTENCE

1

PATIENCE AND TOLERANCE

Being tolerant implies allowing the occurrence or existence of things you don't necessarily agree with.

2

ACCEPTANCE

The acceptance principle is all about acknowledging and coming to terms with the realities of given situations in life.

3

OPEN-MINDEDNESS

Being open-minded allows you to listen to opposing viewpoints before you conclude.

4

GRATITUDE

Exercising gratitude saves us from discontent by magnifying the importance of things we have, however insignificant they may seem.

5

HOPE AND FAITH

If your life is in a mess, the only way out is having hope and faith since you'll get to see a brighter and better future for yourself and humanity.

6

FORGIVENESS

Forgiving is about letting go, rather than condoning or approving what others have done to you.

7

HONESTY

It's easier to be honest to others, but you can only master the spiritual principle of honesty when you start being honest with yourself.

8

HUMILITY

Humility is liberating since it allows you to pursue your goals at your own pace.

9

INTENTION

The spiritual principle of intention stems from the belief that you'll focus your thoughts and actions towards achieving your objectives.

are Creators All ancient scripture state we are made in the image of an Intelligent Creator yet that Spirit doesn't need to attract anything It merely creates what it chooses to experience we likewise have the same ability Most are familiar with karma you reap what you sow what goes around comes around and so on Unlike The Secret Abraham Hicks Chicken Soup for the Soul and the Seven Spiritual Laws of Success which do a pretty good job of scratching the surface of the Law of Attraction this isn't your bubble gum metaphysics This book was written for the sincere Truth Seeker that places Self Realization first and foremost Upon finding the Eternal Treasure within lasting prosperity is a natural result and not merely a measure of your material possessions This book reveals 10 Essential yet subtle Universal Principles that will help you not only create prosperity but think positively live harmoniously find happiness nurture good health find your calling and live a meaningful life But first let's understand the world is becoming a much smaller place Technology media politics and economies from across the world have the ability to affect our every day lives Jobs are scarcer costs higher incomes and property values lower and unless the entire global economy collapses we have to figure out how to best navigate through it all to survive and even more challengingly PROSPER Most Law of Attraction books written to date tend to fall short of hitting the target for helping the reader succeed As a Licensed Financial Advisor former Naval Officer Metaphysician life long Yogi this is the first book of its kind to bring together spiritual wisdom financial expertise quantum physics neuroscience and success strategies to help you truly make a shift Many of us have been erroneously taught that prosperity is all about an abundance of money when in fact all successful entrepreneurs will attest their success was mostly in part to giving something of value to others PRINCIPLE REASONS OPTIMISTIC SERVICE PRODUCES EXPONENTIAL RICHNESS INEVITABLY THROUGH YOU
