**A Call to Spiritual Awakening** Uchenna Mezue, 2017-01-31 To understand ourselves and fulfill our roles on earth we need to look into the records of time for our origin and purpose Not in history books but in life itself Each individual human spirit carries within its personality as a totality of its identity all the experiences and the level of maturity it has achieved since its first incarnation in the Worlds of Matter Although we do not often tap into these for our path in life it is these unique experiences that make us who we are The capacity to weigh every experience written and unwritten exists within us and we have only ourselves to blame if we fail to recognize the Truth in any given experience This book discusses the path of development for the human spirit in the Material spheres and draws attention to the paths in the Will of God we must follow if we are to fulfill the purpose of our existence

**SPIRITUAL AWAKENING**

Darshan Singh, 2025-02-22 The Golden Age begins with each of us it begins within each of us There is a sure definite path which we can follow to realize the totality of our potential the path of Spiritual Awakening It is at once man's oldest and his newest preoccupation We need only look at recent medical research in life after death experiences and studies in the New Physics to realize that science itself is now confirming the insights of the ancient prophets and mystics The language and symbols may change as time passes or as we move from one culture to another but the underlying truth is the same The talks collected here fall into three parts Part I Eternal Science deals with the fundamentals of spirituality Part II Crucible examines the daily discipline necessary for success on the spiritual path Part III Alchemy of Love considers love as that alchemy which

alone transforms the human into the divine Finally Part IV comprises questions and answers which explore related issues If some of the chapter titles appear to be unusual for a collection on mysticism and spirituality there is an unusual explanation I made my first tour of America during the summer of 1978 A two month program of lectures was planned but much to the dismay of those traveling with me the suitcase filled with all my notes articles and manuscripts the material for my lectures was lost by the airlines With talks scheduled for almost every night what was to be done As I then remarked The choice is to turn and flee or to plunge headlong into the program Relying on the grace of the great Masters Hazur Baba Sawan Singh and Sant Kirpal Singh I decided to take the plunge According to an old tradition in India parents are honor bound to preserve the purity of their daughter up to the time they give her away in marriage So I prayed to the Masters to preserve their own honor and they came to my rescue Because of these circumstances the themes of the talks often suggested themselves by the accidents of the moment On one occasion as I walked to a hotel lecture hall a marriage party was in progress and the result was Eternal Spouse On another the hotel s air conditioning failed and the guests squirmed in discomfort This mechanical breakdown became my point of departure for Air conditioning This collection of talks also includes several delivered in India and these too follow a similar pattern of development After particularly heavy rains floods destroyed much property and tragically took the lives of many people in Delhi Witnessing the extent of this disaster on the way to deliver a weekly discourse I spoke of the Boat of Naam I am indebted to Vinod Sena Ruth Seader and Jay and Ricki Linksman for preparing this volume for publication Some of the chapters contained herein have previously appeared in periodicals and I am grateful to Malcolm and Kate Tillis for reviewing those chapters Thanks are also due to those who assisted in transcribing typing typesetting paste up or proofreading They are Jamie and Martha Smith John and Isabel Wolf George Barham Ron and Valerie Tarrant Sandy Glassman Dale and Marsha McCurley Alex Vafiadis John Servidio Jonathan and Douglas Kruger Chris and Katie McCluney Jane Disinger Georg Koester Meena Kumari Joanne Wiemeyer Mary Paton Eliot Rosen Ed Wallace Julius Burt Bruce Dodd and Sham and Sunaina Bhatia Darshan Singh
