Inner Alchemy of Internal Work Taylor Ellwood, 2021-12-29 Transform your life with internal work Some occultists will tell you that internal work isn't REAL magical work What they don't know is that an unexamined life leads to lots of reactive magic where you try to solve your problems only to have those same problems occur again and again How do you get out of that cycle of reactive magic By learning how to apply internal work to your life In *Inner Alchemy of Internal Work* I introduce you to the processes and methods of internal work and share why internal work can help you take proactive control of your life and lead to better results with your spiritual practice In this book you will also learn What internal work actually is and why it's a lot more than just shadow work and psychology How to apply meditation pathworking and other magical techniques as forms of internal work that transform your life How to dissolve and release stress tension and emotional reactivity from your life How to work through trauma using internal work If you're tired of living a reactive life and you want to go deeper in your magical practice and get better results this book will show you how to apply internal work to your life

Music of Anthony Braxton Mike Heffley, 2013-10-28 First Published in 2001 For three decades Anthony Braxton has been alternately celebrated dismissed and attacked for his musical innovations His ambitious efforts to reconcile and personalize the historically divergent and often conflicting worldviews and principles of African American jazz American Experimental post Ives and Western European post serial traditions have attracted both loyal supporters and passionate critics Mike Heffley has followed Braxton's widely varied music from its beginning and in 1988 began a professional musical relationship with him His biography of Braxton's music is just that a look at the music as if it were a living entity with a traceable ancestry a describable place in the world and a history full of drama intrigue and passion The music scholar will find here all the information necessary to understand the contents contexts and concepts of Braxton's music and to further that understanding The general reader will find the human and trans human qualities that make the music so compelling to its makers and lovers

Musicology of Religion Guy L. Beck, 2023-05-01 For generations religion and music have been regarded as universals yet despite the fact that they have been frequently linked throughout history and topography and despite the importance of music in the early stages of religious studies their combined presence has not until now been considered a separate area of study and research While there are well developed fields of anthropology of religion psychology of religion and philosophy of religion the widely recognized connections between religion and sound chant and music warrant comparable study Drawing upon theories and methods in the study of both religion and music referencing examples from world religious traditions and addressing challenges posed by critics this book envisions a unified field for religion and music musicology of religion Grounded in the scope and methods of phenomenology and comparative analysis musicology of religion represents an innovative direction in interdisciplinary study enriched by the
