God Almighty the Creator of heaven and earth So much has happened since the beginning that only a small fraction of the whole world s population through the millennia has responded and understood how all this came to be while the rest of the world seems to be oblivious of their life here on earth who are unaware of that life in the spiritual world That is why most people in hell don t even know why they are there or that hell even exists because of their lack of knowledge of the scriptures God has been warning the people on earth of that life in spiritual hell People are not concerned or interested in knowing of that life in hell until they get there and by then it will be too late for them All those warnings about hell are written in the Bible God even went further and wrote this book for the ungodly in this world named God Does Not Want You to Go to Hell It is all up to you now whether you are going to hell or not Choose life in Jesus and you will bypass this place called hell forever and if you don t this book will be a witness against you at your day of judgment in the spiritual world Now don t let this happen to you for you are living on borrowed time Accept Jesus as your Lord and Savior serve God faithfully and you will live and if not life and death is only a heartbeat away Here is the email address for this book and a PO Box address so I can receive letters from those who are saved by reading this book which is God s book choosejesusnohell yahoo com God s Books PO Box 44578 Brooklyn Ohio 44144

Stanley, 2008-02-17 Gain a Biblical Perspective on Family Even though many leaders give lip service to family values and the need to have strong families it s clear that the family unit is under attack today To a great extent the family is a high priority target of Satan s Why Because the family is important to God The strong family is the perfect setting to learn godly living and wisdom and to apply Bible based principles that are pleasing to the Lord In Protecting Your Family Dr Charles Stanley teaches readers how to recognize the attacks of the enemy on their family and how to combat them with the truths and principles of Scripture He focuses on the foundations of a godly home such as love stewardship and prayer Each study draws on Dr Stanley s many years of teaching the guiding principles found in God s Word showing how we can apply them in practical ways to every situation we face Each of the ten lessons includes A brief look at what is covered in the lesson A teaching from Dr Stanley that unpacks the topic of the lesson Application and Bible study questions based on the key points Key takeaways to put into practice today and tomorrow [Strongholds of the 10/40 Window](#) George Otis, Jr., Mark Brockman, 1995 This intercessor s guide features maps and information on each 10/40 Window nation covering trends religions people groups and history It equips believers to pray with accuracy and break down the strongholds of the least evangelized nations [Quaker Strongholds](#) Caroline Emelia Stephen, 1891 **Breakthrough of Spiritual Strongholds** Bill Vincent, 2019-02-26 There are various times in all of our lives when we are prone and susceptible to being hurt There are times when tragedy strikes without warning caution or an alarm that tells us an emergency is pending In times like these we are vulnerable in our minds and in our emotions We began to build walls and strongholds that strengthen us within ourselves keeping others from us and us from others This happens because there s a point that you cannot seem to get past There is hurt that you cannot seem to let go of Ultimately every surrounding relationship becomes weary and dysfunctional But it s time to declare Breakthrough Bill Vincent has been used by God to help set people free He has helped bring deliverance to over a thousand whom have been set free You will be encouraged through Bill Vincent s take

in this powerful book Breakthrough Of Spiritual Strongholds *DESTROYING SPIRITUAL STRONGHOLDS* James Tarter,2006-05-31 God s mighty promises to us who abide in Christ have been mostly unfulfilled because of strongholds in our hearts In this book we see that God created stability for the spiritual heart by making it very fearful of being changed It naturally and unconsciously protects itself against perceived dangers including God s work in the heart until it really learns that it can trust Him It also deceives oneself This has let the devil manipulate us out of most of our boundless power of staying in Christ Here we see how experiences and demons can create highly protected strongholds that work against people receiving God s great love and power in Jesus We also see how to destroy a stronghold in oneself and in others who want to be free Destroying it includes a good preparation and good follow up to Jesus work of deliverance all help the freedom to last Therefore this book shows the nature of spiritual warfare which comes with moving into God s mighty provisions for us in Christ **The first (second) Epistle to the Corinthians, with notes and appendix, by H.
