Things ,2004 *The Chaplain of St. Catherine's* Herman Joseph Heuser,1925 **Hospice** Rebecca Malcolm Schubert, Jean Bayview,2023-09-07 This book is a selection of a chaplain's experiences of how hospice can serve the families and patients who enter this special journey. It contains patient stories told from the chaplain's view. When Chaplain Beck is with patients she often shares one of her stories to help ease their fears. It is her hope that sharing these stories in this book will prepare readers and lessen their anxiety when hearing the word hospice in relation to themselves or a loved one. Experiencing these holy moments may even help on one's own spiritual journey. Hospice does not mean death is imminent but rather it is a transition of care that focuses on the patient's physical, emotional, and spiritual needs as they approach the end of life which may be days or months away. From Schubert's first visit made as a chaplain resident to her last day thirty years later as a hospice chaplain she has been honored to serve the dying and their loved ones. She hopes that readers will hear the love and grace and see that through hospice the end can be as beautiful as the beginning.

Addiction and Recovery Martha Postlethwaite,2019-02-01 Companionship for the lifelong journey of recovery. In *Addiction and Recovery: A Spiritual Pilgrimage* Martha Postlethwaite, pastor and a person in recovery, reflects on her pilgrimage of healing through valleys of despair and vistas of resurrection. *Addiction and Recovery* is not just Postlethwaite's story though. She also draws on the wisdom of pilgrims who have walked other paths to explore themes such as surrender, truth telling, shame, powerlessness, grace, forgiveness, and resurrection. Together these chronicles bring hope to people who struggle with the disease of addiction and to those who love them. Each chapter ends with questions to reflect on with conversation partners or in a journal and a spiritual practice. The spiritual practices are related to the chapter themes and serve as samplers but they can be woven into the reader's own pilgrimage. Readers will recognize themselves in these stories and reflections, learn that they are not alone, and find reasons to hope as they make their own pilgrimage.
