**The Splendid Fairing** Constance Holme, 2022-09-15 Constance Holme's *The Splendid Fairing* melds lyrical prose with rich characterization exploring themes of identity, social mores, and the complexities of human relationships in early 20th-century England. Set against a vivid backdrop of English countryside and urban centers, Holme crafts a narrative imbued with both beauty and melancholy. Her adept use of symbolism, particularly the titular fairing, a metaphor for life's fleeting pleasures, invites readers to contemplate the transient nature of happiness amidst societal constraints. Holme's work is directly situated within the literary movements of her time, engaging with notions of realism while also embracing elements of Romanticism and the Early Modernist ethos. Holme, an accomplished novelist and playwright, drew upon her own experiences and observations of the evolving cultural landscape of her era. Born in an age marked by both artistic flourishing and personal introspection, her background in theatre and her connection to the Arts and Crafts movement undoubtedly influenced her narrative technique and thematic choices. The richness of her characterizations suggests a deep empathy and insight into the human condition, making her a notable yet often overlooked figure in early 20th-century literature. *The Splendid Fairing* is a must-read for those who appreciate finely crafted prose and nuanced explorations of emotional landscapes. It appeals to readers interested in the interplay of societal expectations and personal aspirations. Dive into Holme's intricate world where the pursuit of happiness confronts the realities of existence, making it a profound addition to any literary collection.

**The Splendid Fairing** Constance Holme, 1919 *The Splendid Fairing (Classic Reprint)* Constance Holme, 2017-10-12 Excerpt from *The Splendid Fairing*: Perhaps it would never have happened but for the day. A brave, buoyant day with a racing wind might have scattered the clinging obsession just in time. A tender, laughing day might have laid a healing finger on old sores. A clean, frosty day might have braced the naturally sane old mind. But Fate, out of all the days in the year, took upon itself to send just this. The human soul, which seems so utterly out of reach, is only shut away from every other soul. In every other respect, it is like a harp hung on a tree. Even the actual day, as it comes, is itself a lever in many a fate. Deeds are done on certain days which on others would be mere passing impulses, easily dead before the night. This blind, Martinmas Day went all day long with its head among the clouds, as if it thought that never again would there be any sun. Indeed, it was out of the lack of every sort of sight that the evil grew, since otherwise Mothers couldn't have done those things as Geordie would have said.
