Splendor Of God:

Paul, Apostle of God's Glory in Christ Thomas R. Schreiner, 2006-02-01 Thomas R Schreiner gives a sound and insightful exposition and assessment of Paul's theology that is well geared to the needs of seminary students and working pastors

God's Glory Alone---The Majestic Heart of Christian Faith and Life David VanDrunen, 2015-12-01 Renowned scholar David VanDrunen tracks the historical and biblical roots of the idea that all glory belongs exclusively to God God's Glory Alone is a beautiful reflection on how commitment to God's glory alone fortifies us to live godly lives in this present age Reinventing one of the five great declarations of the Reformation soli Deo gloria VanDrunen Examines the development of this theme in the Reformation in subsequent Reformed theology and confessions and in contemporary theologians who continue to be inspired by the conviction that all glory belongs to God Turns to the biblical story of God's glory beginning with the pillar of cloud and fire revealed to Israel continuing through the incarnation death and exaltation of the Lord Jesus Christ and culminating in Christ's Second Coming and the glorification of his people Addresses several of today's great cultural challenges and temptations that attempt to draw us away from a God centered instead of self centered way of life This book leads you into a renewed sense of awe and adoration for our Creator and Redeemer as it mines deeply into the biblical and theological truths about God's glory that stand at the center of the Christian faith THE FIVE SOLAS Historians and theologians have long recognized that at the heart of the sixteenth century Protestant Reformation were five declarations often referred to as the solas These five statements summarize much of what the Reformation was about and they distinguish Protestantism from other expressions of the Christian faith that they place ultimate and final authority in the Scriptures acknowledge the work of Christ alone as sufficient for redemption recognize that salvation is by grace alone through faith alone and seek to do all things for God's glory The Five Solas Series is more than a simple rehashing of these statements but instead expounds upon the biblical reasoning behind them leading to a more profound theological vision of our lives and callings as Christians and churches

The Jerusalem Tradition in the Late Second Temple Period Heerak Christian Kim, 2007 The Late Second Temple Period c 200 BC to 70 AD was a period of intense social changes for the Jewish people During this period the Jewish people experienced a Syrian king defiling the Jerusalem Temple the Maccabean Revolt the celebration of Hanukkah the establishment of a competing Jewish temple in Egypt and the destruction of the Jerusalem Temple During this time Jews spread out all over the Diaspora The turmoil and the lack of visible cohesion have led many scholars to argue that there was no Jewish unity and no distinguishable Jewish identity in this time period This book argues against this trend in academia and posits that a strong Jerusalem tradition unified the Jewish people Book jacket

Groomed for Glory De Wet Steyn, 2014-12-01 There are many things that can be written and said concerning the nature of God but among the most mysterious aspects of His being is His glory His manifested presence When you have a revelation and an understanding of the manifested presence of God His glory you will grasp all the other aspects of God so much better

We will never be able to completely understand or explain the full meaning of the glory of God. It is beyond description and too marvelous for mere words. In fact, the glory of God is not something to be understood or explained but rather something to be displayed. We need to be changed by the glory of God and then we need to reflect it to the world. God is more excited to let His glory fill the earth than we are to spend time in His presence in the realm of His glory. Allow Pastor De Wet Steyn to give you the keys so you can open the door to a personal encounter with the glory of God so that it might be brought forth and released on earth.

The Pulpit, 1900 Participation and Covenant Dick Moes, 2024-03-13 In *Participation and Covenant: Contours of a Theodramatic Theology* Moes develops a theological framework that has participation in the life of God in Christ through the Spirit as its integrative center. In doing so, he enters into conversation with covenant or federal theology, particularly as it has been presented by Michael Horton, in which the integrative center is the concept of the covenant. He argues that God's fundamental relationship with humanity does not entail a covenant ontology, a fundamentally legal and ethical relationship to God as we find in Horton's presentation, but rather an ontology of participating in God's loving presence in Christ through the Holy Spirit. For this relationship, we were created, and this participation is therefore natural to us. Accordingly, a theodramatic framework that incorporates a reframed understanding of divine-human covenants and that has participation in the life of God in Christ by the Spirit as its integrative center is better able to give direction for clearly communicating the gospel in our secular culture and for properly shaping our Christian identity and practice in the face of the secularism that affects the church too than Horton's framework of covenant theology.

The God We Worship Nicholas Wolterstorff, 2015-04-09 In *The God We Worship*, Nicholas Wolterstorff takes a ground-up approach to liturgical theology, examining the oft-hidden implications of traditional elements of liturgy. Given that no liturgy has ever been composed from scratch, Wolterstorff argues that the assumptions taken into worship are key to perceiving the real depths of historical Christianity's understanding of God. Across the liturgies of the Orthodox, Catholic, Episcopal, Lutheran, and Reformed churches, Wolterstorff highlights theologically neglected elements of God, such as an implicit liturgical understanding of God as listener. A dissection of liturgy is not only interesting, Wolterstorff argues, but crucial for reconciling differences between the God studied by theologians and the God worshiped by churchgoers on Sunday.

Knowing God's Truth Jon Nielson, 2023-04-13 *An Accessible Guide to Systematic Theology* from Pastor Jon Nielson. When you consider theology, you may think of confusing, lofty terminology that only concerns scholars and pastors. But in reality, theology is for anyone who wants to better understand God and learn more about the Bible. Theology, the study of God and His word, should be personal, accessible, and worshipful. Pastor Jon Nielson has written *Knowing God's Truth*, a part of the *Theology Basics* series, to make systematic theology clear, meaningful, and practical for those looking for a highly accessible guide to studying God. In this introduction, Nielson defines systematic theology as theological study done in a highly organized, topical way and covers the 12 basic categories: Scripture, man, sin, church, and more. He also helps readers learn to apply theology in their everyday lives by

God's Guide to Freedom Carl Barrett, 2023-04-13 In a society where so many people feel helpless and hopeless they need to grasp onto someone who will release them from the bondage preventing them from attaining the beautiful things God has in store So often we don't know how to fight our spiritual battles leading to a weakened and defeated spirit This state of delusion and confusion is only the work of a dark force that's keeping people shackled in chains and suppressing their glorious life of liberty in Jesus Christ We all long for a life full of peace purpose and a plan that will lead to a glorious journey with the presence of our Lord every step of the way The reality of believing in Jesus obeying his word and knowing the truth brings spiritual freedom And such a privilege includes freedom from the bondage of falsehood For his truth sets us free This forty day devotional guide through Exodus will show us times of being in bondage to a stage of deliverance to wandering in the wilderness and how to rely on the strength and guidance of an Almighty God And that's where spiritual freedom comes to the surface in our intentional lives
