Mazzeno,2020-08-31 Alfred Tennyson was a poet all his life writing more than a thousand works in virtually every poetic genre Considered by his Victorian contemporaries the pre eminent poet of the age he has become a canonical figure who is widely read and studied today Consequently his poems appear on the syllabi of both survey courses in Victorian literature as well as upper division and graduate level topics courses that cover Victorian studies or address subjects such as environmental studies religion elegiac poetry and Arthurian literature This companion makes Tennyson s poetry accessible to contemporary readers by identifying some of the formal elements of the poems highlighting their relevance to Tennyson s Victorian contemporaries and explaining their enduring appeal and value Entries in the companion organized alphabetically provide essential details about Tennyson s most anthologized poems offer suggestions for reading and interpretation and elucidate unfamiliar historical and literary allusions Additional entries a biography of Tennyson and a selected bibliography of recent criticism offer information about the people places events and issues that influenced Tennyson or were important to him and his contemporaries **The Splendor Falls** Rosemary Clement-Moore,2009-09-08 Can love last beyond the grave Sylvie Davis is a ballerina who can t dance A broken leg ended her career but Sylvie s pain runs deeper What broke her heart was her father s death and what s breaking her spirit is her mother s remarriage a union that s only driven an even deeper wedge into their already tenuous relationship Uprooting her from her Manhattan apartment and shipping her to Alabama is her mother s solution for Sylvie s unhappiness Her father s cousin is restoring a family home in a town rich with her family s history And that s where things start to get shady As it turns out her family has a lot more history than Sylvie ever knew More unnerving though are the two guys that she can t stop thinking about Shawn Maddox the resident golden boy seems to be perfect in every way But Rhys a handsome mysterious foreign guest of her cousin s has a hold on her that she doesn t quite understand Then she starts seeing things Sylvie s lost nearly everything is she starting to lose her mind as well Lush with Southern atmosphere The Splendor Falls expertly weaves together romance tension and mystery Haunting and unforgettable Carrie Ryan bestselling author of *The Forest of Hands and Teeth* Sylvie s voice is sharp and articulate and Clement Moore anchors the story in actual locations and history Her ear for both adolescent bitchery and sweetness remains sure and her ability to write realistic edgy dialogue without relying on obscenity or stereotype is a pleasure Publishers Weekly Long satisfying and just chilling enough this will please a wide audience and leave readers hoping for more Kirkus Reviews [The Pocket University](#) William Rose Benét,1927 **Sale**
