Foreword by Miriam Adeney The Great CoMission Brooks St. Clair Morton,2012-11-02 This book presupposes that pastors and seminarians deeply desire to answer the question of all questions how do I make disciples of Jesus Christ The Great CoMission Making Sense of Making Disciples is a helpful guide for pastors in the field yet meaty enough for seminarians in the classroom In The Great CoMission readers will encounter useful principles for discipleship and solid biblical theology for ministry This unique book approaches the Great Commission from a rite of passage framework therefore allowing for serious consideration of the internal mechanisms of Matthew 28 16 20 by focusing on the relationship between initiation instruction and Jesus promise to be with the church to the end of the age Morton writes from a Wesleyan cross cultural and missiological perspective avoiding the popular method of using the Great Commission merely as a holy launching pad for retelling the story of a mega church *The Asian Religious Sensibility and Christian (Carmelite) Spirituality* Susana José,1983 The Asian Religious Sensibility and Christian (Carmelite) Spirituality Josefina D. Constantino,Susana José,1983 **Hybridising East and West** Dominique Schirmer,Gernot Saalman,Christl Kessler,2006

Up to now debates on hybridisation are rather theoretical This book takes an empirical look at both everyday cultures and lifestyles religion medicine and scientific cultures and the directions of influences The findings suggest that hybridity and hybridising have to be conceptualised as processes of mixture relevant for constructing identities being increasingly positively denoted and displaying the multidirectionality and multidimensionality of hybridising processes In our globalised world such a mixture is very frequent highly present and rather inescapable *The Filipino in the Seventies* Vitaliano R. Gorospe,Richard L. Deats,1973 **Philippine Journal of Education** ,1969 The Gospel is Not Western G. W.
