Spoken Swedish, Including a Basic Word List Einar R. Ryden, 1945      *Swedish* Ian Hinchliffe, Philip Holmes, 2020-01-29  
This fully revised third edition of *Swedish An Essential Grammar* incorporates changes proposed to Swedish grammar by Svenska Akademiens grammatik. Examples have been fully updated and the bibliography has been expanded. *Swedish An Essential Grammar* provides a fresh and accessible description of the language. Explanations are free of jargon and emphasis has been placed on areas of Swedish that pose a particular challenge for English speaking learners. The book offers a clear accessible format, authentic examples of language use taken from a range of media, clear jargon free explanations of grammar. Suitable for independent study or for class based tuition. *Swedish An Essential Grammar* continues to be an invaluable source to all learners looking to improve their knowledge of Swedish grammar.      **English in Spoken Swedish** Harriet Sharp, 2001  
*Swedish* Gladys Hird, 1980-03-13 This grammar reader is based on almost twenty years experience of teaching beginners the Swedish language and is reassuringly practical in approach. Miss Hird's aims are threefold: to provide a compromise between the traditional grammar readers and the new textbooks which are not designed for beginners outside Sweden; to supply grammatical information and exercises and reading texts together for ease of reference and to stimulate the student's interest in Swedish life, institutions and culture. The grammar part of the book is in seventeen lessons, each comprising a text in Swedish which Miss Hird has specially composed to include useful vocabulary and graded grammatical points upon which exercises including translation exercises are set for practice. The central theme of the texts is Stockholm and attractive drawings illustrate it. To help the student there is a full vocabulary list covering all the lessons, a brief summary of Swedish grammar, a glossary of grammatical terms, a check list of irregular verbs and a comprehensive index of the grammatical points covered in the book. In the reader part of the book the texts chosen range from a short play by Strindberg to a sketch by Stig Claesson, one of Sweden's most popular contemporary authors. Each text is preceded by a short biographical and literary introduction and is followed by questions designed to test the student's comprehension and to stimulate his appreciation.      **Swedish** Philip Holmes, Ian Hinchliffe, 2008 Suitable for independent study or for class based students, this text provides a fresh and accessible description of the language. The explanations are free of jargon and emphasis has been placed in the areas of Swedish that pose a particular challenge for English speaking learners.      Temporal Properties of Spoken Swedish Bertil Lyberg, 1981      The Swedish Year-book, 1921      **Swedish Year-book** Helmar Gustaf Emanuel Eneborg, 1921      **Elementary Swedish Grammar** Axel Louis Elmquist, 1914      **A Simplified Grammar of the Swedish Language** Elise C.
