# Squeaky Clean Hygiene

What exactly is hygiene? What makes hygiene bad or good?  
Hygiene is keeping clean and doing all the things you should.  
Taking good care of your body is one place that you can start. If  
you want to live a healthy life, good hygiene plays a part.

Y. Low,2008-12-18 Smells are distinct and ubiquitous They envelope us enter our bodies and emanate from us Yet they remain relegated to the background of everyday life experiences

This book attempts to highlight the social salience of smell in social actors day to day encounters where issues involving morality and social othering presentation of self and personhood intertwine with analyses of smell as a social conduit These encounters include the experiences of anosmic individuals which capture non olfactive social worlds that are rarely addressed hitherto Further deliberations on olfaction in relation to social memberships of race class and gender elucidate upon social boundaries of inclusion and exclusion constructed vis vis smell as a social marker Olfactive adjudications of race and class are then expanded upon through the author s discussion of various smellscape in the context of Singapore Olfaction sanitary discipline and olfactive simulacra are also expounded upon thereby underscoring the control and manipulation of scents in the contexts of modernity and postmodernity Smells therefore offer insights into the workings of social relations and power structures in society By predicating analyses on empirical data procured from Singapore along with case studies from the region and beyond this study draws much needed attention on smell which has been a neglected sense in the wider literature In addition the concurrent employment of the other senses will also be explicated which therefore demonstrates the social character of smell and other sensory modalities through historical and contemporary milieux This book is a pioneering effort in offering sociocultural interpretations of scents based on primary and secondary data analysed using the trajectory of sociology of everyday life
